Madoc Fair Queen

Sue Ketcheson Crowned Queen

Sue Ketcheson, (right), has just received her crown from Kristi Bjorn Dahl after winning the 1986 Madoc Fair Queen competition.

Miss Sue Ketcheson was chosen as the Madoc Fair Queen for 1986/87 last Tuesday evening before an audience of about 200.

Six young ladies had entered the competition and had undergone a personal interview with the three judges before making a short speech to the audience.

The first contestant to speak was Margaret Bailey, who talked about the International Plowing Match and gave a history of plowing and their importance in farming.

Velvet Embleton was next with a presentation on the importance of proper fertilizing and of the

needs of crops and soil.

Sue Ketcheson commented on the decline in numbers of farmers, comparing today with days gone by. She stressed the importance of using Fall Fairs as one way of informing our urban neighbours what a farming community is all about.

Debbie Peck emphasized the production of food and the nutritional value of the farm produce that is essential to our lives. She concluded by saying that farmers work hard and their returns are based on their efforts.

Sherry Sager spoke on the increasing use of computers in farming, outlining

the many areas that computers can be used.

She commented that they can not only save money, but lots of headaches too.

Debbie Shaw took the audience back to the times of our ancestors, clearing land with crude tools, barn raising, community involvement, and progress in farming over the years. She pointed out that now, as in those early days, many of the decisions about the farm are made around the kitchen table.

It was obvious that these young ladies had put a great deal of effort into research for their speech, and many in the audience would have been hard put to

make a choice as to which one was the best.

The judges, Theresa Boyd, Doug Downey and Bob Burkitt made their appraisals on Personality and Poise, make-up and grooming, carriage and figure, speech and projection and their overall impression during the interviews as well as the public speaking.

After about thirty minutes deliberations their decision was announced.

First runner-up, Debbie Peck and Sue Ketcheson as Madoc Fair Queen for 1986/87.

Congratulations to all the contestants for their presentations.

Opening Celebrations for New Ivanhoe Hall

Next Saturday, the 6th, Ivanhoe is going to be one of the busiest spots around.

The official opening of the new township facilities will take place and celebrations will include baseball games, free snacks and a free dance in the evening.

The new ball diamond, change rooms and canteen and the shiny new addition to the old township hall have come about because of careful management on the part of the Huntingdon Township Council.

Reeve Glen Franks said that six years ago, council embarked on a financial management program that would see an end to borrowing with its added expense of interest charges. Over the

course of these years, council saw the need of updating the Township administrative complex, made plans and budgeted accordingly.

Now the township boasts a ball diamond second to none in the county, adequate change-room facilities, a canteen and an impressive community centre, and all without creating a debt load.

Reeve Franks said that council had taken advantage of eight provincial and federal aid programs and that some 50 local residents benefited through employment on the various projects. He and Councillor Ken Yarrow, said that the two ladies that work in the office, Bonnie Jones as clerk/

treasurer and Dianne Livingstone, were instrumental in bringing the various government programs to the notice of the council. Reeve Franks added, "They worked long and hard on getting these programs and spent many hours evaluating dozens of programs to ensure that the Township gained maximum benefit."

The addition to the centre blends in perfectly with the older section and retains the style of the original building. Inside, it's as modern as it can be with washroom facilities for the handicapped built in fire alarm sensors, and entrance to the hall is by way of a ramp.

It is definitely a community centre for all the people and

as Reeve Franks says, "It will be nice to hold community events, wedding receptions, anniversaries and banquets for the members of the township right here in the township. The rental charges are modest by today's standards and are designed to encourage people to use this facility."

The opening and dedication ceremonies take place at 7:30 pm and M.P. Jack Ellis, M.P.P. Jim

The new addition on the Community Centre at Ivanhoe complements the original style.

Pollock along with Blake Reeves, Chairman of the Recreation Committee will

perform the ribbon cutting. After the ceremony, everyone is

invited to partake of cheese and crackers and enjoy the dance in the new hall.

Madoc Fair Board

GO! GO! GO!

Now that the question of insurance has been settled (at least verbally) the Fair Board members are on the go, go, go.

Because of the insurance situation, much of the work that would have been done over the past couple of months, now has to be done in the next three weeks.

The planning for the event has been carried out as usual, but on an "as and when the insurance is available" basis. Now the Fair Board members must confirm the tentative

bookings made with entertainers, notify exhibitors and competitors, firm up the list of volunteers and their duties, gear up their promotion and publicity campaigns, and generally go like heck to present a fair that will be 'business as usual'.

The intensive search for insurance for all planned events had been carried out over the past two or three months, but each promising lead had a drawback.

The problem was

the planned demolition derby. Insurance was either not available or the premium was prohibitive.

The derby is a big drawing card and gate receipts generated from this event helps keep the fair in the black.

Fair Board president, Bob Hawley, ever the optimist, said "We approached Reeve John Irwin of Madoc Township and asked him if he would contact the Township's insurance company on our behalf. A day later

we were contacted by the insurance company and agreed on a policy, to cover everything, that should run for a year. So far it's verbal, but the paperwork is on its way."

Through the hard work of the Fair Board we can now look forward a fair with its usual delights and some new entertainment attractions.

Support the efforts of the Fair Board members by turning out for the fair, they worked hard for it. See you at the fair.

Home Beautification Program

Winners in Village

Madoc Village was a big winner in the Rural and Urban Beautification Program that was held as part of the International Plowing Match activities.

Doug and Hilda Nilson of Davidson Street were awarded

first place in the Urban Homes division, and were presented with a silver tea service.

Mrs. Nilson, who attended the banquet last Thursday with husband Doug, said, "There were so many categories,

that when a young couple were awarded a prize in the same division as I thought we were in. I assumed we were one of the runners up." She explained that they had received a phone call from ar

Hazzards Corners Church rededicated

BY M. MOORCROFT

Again a summer service was held for praise and thanksgiving and for rededication at Hazzards Corners Church on the afternoon of August 24, 1986, with the Rev. Jeffrey de Jonge ministering. And where 'A spire pointing upward speaks to the waiting heart.'

The scripture readings were: 2nd Samuel - parts of chapter 6; Matthew

9:35-38; Psalm - 145:1-9, wherein we read, 'One generation shall praise thy works to another.'

Hymns were: 'The Royal Anthem', 'Holy, Holy, Holy', 'A Spire Pointing Upward', 'Lord, Speak To Me', 'Jesus Bids Us Shine', and 'Love Divine'.

Special music in duets by two former members of Hazzards, Katherine Burnside Fleming and Beverly Ketch-

son Holmes, were very gracious with their musical talents, singing both a medley of loved old hymns and other sacred numbers.

The Message related first to Memories - memories of the faith and work of our forebears; of feelings of joy and of sadness and even of anger, but also with reminders of the many instances of Jesus' compassion for people. We must get past the sadness and look to Jesus for the compassion needed. There is a need for celebration as well.

In the Old Testament lesson we learn of King David dancing before the Lord. 'We are a celebrating people and a people of compassion... God has done much through many people here in this place.'

After Prayers of Thanksgiving, the duet, 'You'll Never Walk Alone', was another fitting message.

The Re-Dedication followed with Grant Ketcheson presenting the rededicated 129-year-old rural church for the continuing worship and glory of God, which was accepted and

rededicated by the minister. This part of the service was complemented by the beautiful 'Bless This House', sung by 'our girls'.

Many were the compliments and words of appreciation, later, in conversation on the lawn, to Beverly and Katherine, to Jean Bailey and Winnifred Ketcheson (pianists), to Jeff and to all others who had a part in arrangements for the service. Thanks, too, for the generous offering for the maintenance of this church and the continuance of work in His Vineyard.

Wellman's Corners News

By Mrs. Mildred Graham
Mrs. Fred Clark of Collingwood spent Friday with Mr. and Mrs. Gerald Clancy.
Miss Freda Graham of Toronto

spent the weekend with Mrs. Mildred Graham and Eleanor.

A community shower was held for Mr. and Mrs. Darrell Russett on Friday

evening in the Institute Hall.

Mr. Gerald Taylor, Mrs. Roy Hagerman of Smith Falls called on Mrs. Mildred Graham and Eleanor on Friday.

Squirts end season

by Isabella Shaw
The Eldorado Squirts, coached by Lorna and Bill Matthews finished their season in grand style on Monday, with a year-end corn and Weiner roast. This was followed by a ball game between players and parents. The team this year

was comprised of boys and girls and had a third place finish in their league.

Team members were: Dave Hobson, Shawn Foley, Joe McCaw, Todd Matthews, Craig Alexander, Chris Green, Ryan Burnside, Scott Tracey, Sarah Ketcheson, Angela Para-

nuick, Angela Pietchsmann, Michelle Graham, Wendy Embleton, Dave Pietchsmann, Steve Burkett and Jacob Charles.

The team is already looking ahead to next season. Lorna and Bill, will be back at the helm.

Midget 'D'

Bert Jones Finalists

by R. Chapman
Fenelon Falls knew the Bert Jones Midgets better than they would like to have on August 23rd weekend.

The boys played a disappointing game against Charing Cross on Saturday morning losing 3-1 leaving 8 runners on base. This loss meant winning all of the following games. Saturday was not a good day for Madoc, after 3 innings

of play against Norwich the heavy rain came, this cancelled the tournament until Sunday, which forced the winning teams to play back to back games.

The Norwich game continued - Sunday

with Madoc winning 6-4. The noon game came out as another Madoc win beating Belmore 7-6. The four o'clock game brought Madoc and Charing Cross together again, with Madoc winning 7-5.

The 7 o'clock game found Madoc meeting the host team Fenelon Falls. Fenelon also had one loss, which meant the winner would be in the finals against Richmond. This game took 8 innings and 4 strikes on the last batter to put the host team out of the tournament, 9-8. As the evening was getting late the Madoc boys were beginning to feel the physical and mental fatigue of 4 straight

games. The Richmond team had not lost a game which to their favour, they had only played 2 games on Sunday. The strong determined and excellent playing skills of the Madoc boys forced Richmond to the fifth inning before they were able to overtake Madoc's 2 run lead, with 4 errors in the fifth inning Richmond took the lead and won the tournament, 12:15 Monday morning the boys saw the closing ceremonies of the tournament.

We would like to congratulate the Bert Jones Midget players, their coach Richard Chapman and manager George Atkinson, but boy Chevy Jones for a job well done. A special thanks to Dan and Karen Jones who sponsored the team for all their dedication and interest in the boys.

Hon. Vincent G. Minister
Mary Mogford Deputy Ministry

IF YOU ARE FIFTY-EIGHT YEARS OF AGE OR OLDER OR A HOUSEHOLD WITH CHILDREN

THIS IS OF INTEREST TO YOU

The Village of Madoc in conjunction with the Ministry of Housing, is conducting a survey to determine the need for market and rent-gated-to-income housing for senior citizens and families in your community.

Questionnaires are being distributed to senior citizen and tenant households as part of a survey to determine the interest in this type of housing.

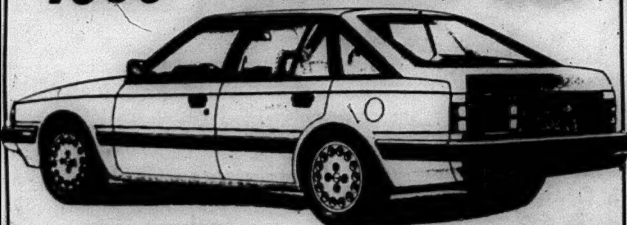

ONLY BY COMPLETING A QUESTIONNAIRE CAN YOU HELP TO DETERMINE WHETHER THERE IS A DEMAND FOR MARKET AND ASSISTED RENTAL HOUSING FOR SENIOR CITIZENS AND FAMILIES.

Seniors and families interested in obtaining more information or who wish to receive a questionnaire would like one sent to them should contact:

Frankford Bantams captured the Tri-County League Championship with a thirteen wins - one lost record. Congratulations for a fine season!! (Front row l-r) Daryl Haulden, Paul Hamilton, Mike Woods, Dustin Sokolowski,

Brian Dean and Ted Sheil. (Back Row) Terry O'Shea (coach), Rob O'Shea, Ken Brooks, Ben Mayhew, Bruce Buelow, Scott Larin, Tim Genereaux, David Orr and Pat Daradick (coach).

Thurlow captured the "A" Championship at the Tri-County Bantam Boys Play-off Tournament with a well deserved 16-7 victory over Frankford. Congratulations to (Front row l-r) Chris Sylvester, Shawn Allenby, Will

Dudgeon, Adam Holgate, Jeff Robinson, David Rice (coach). (Back row l-r) Bill Dudgeon (coach), John Sallans, Steve Tetlock, Mike Race, Brad Abbott and Paul McTaggart.

Campbellford bombed Springbrook 16-3 to capture the "B" Championship at the Tri-County Bantam Boys Play-off Tournament. Congratulations to (l-r) Willie Snarr (coach), Jeff Snarr, Les Campbell (coach), Rob

Carlton, Doug Matthews, Will Richardson, Charlie Brown, Scott Campbell, Troy Ward, Jeff Pearson, Terry Beavis, Ken Runions and Scott Wildman.

Special partnership marks anniversary

This year marks the 100th anniversary of a special partnership between the federal government and the agri-food industry. The result is an abundant food supply for Canadians and many others. The historic link is the formal application of science by the federal government to food production.

It is an occasion for celebration, for without that partnership, the forces of nature and economics could long ago have defeated the food system we take for granted in this country.

The principal federal partner in the ongoing relationship is Agriculture Canada's Research Branch, now in its 100th birthday year. It had its beginnings in the people of vision who authorized the

creation of the first five federally-operated experimental farms in 1886 through an act of Parliament. Canada then was a predominantly rural country, where farmers struggled against a harsh climate to produce food for home consumption and for export.

Now, less than five per cent of the people are on the land producing food for a greatly expanded population. Canada has emerged as one of the major food-producing nations of the world. And agricultural research has been one of the most important agents in the changes that brought this about.

The first five experimental farms, dotted across the country to serve the peculiar needs of

their regions, have grown into 46 major Research Branch establishments. The original partnership between the federal government researcher and farmer has grown to include research activities in provincial governments, universities, industry and other institutions.

The federal Experimental Farm System, in its early years, gave the world Marquis wheat, the standard against which today's hard red spring wheat is measured today for protein content. Its successor, Agriculture Canada's Research Branch, helped give the world canola, a source of safe, low-cost, vegetable oil.

Over the years, change and adaptation

Cont'd to page 3A

Massive auto recall

In accordance with requirements under the Motor Vehicle Safety Act (Transport Canada), a notice of recall has been filed by Hyundai Auto Canada Inc.

The company has determined that a brake fluid warning sticker was omitted from all 1985 and 1986 Stellar passenger cars produced prior to June 9, 1986. It is possible that, in the absence of a suitable

warning sticker, someone could inadvertently fill the master cylinder with an inappropriate fluid. The result could be reduced braking efficiency and/or possible damage to the brake components on the vehicle.

Hyundai has taken the necessary steps to inform customers and dealers of the situation in detail by 1st Class Mail.

Appropriate warning stickers are included in the mailing.

In total, 46,973 vehicles are involved in the recall. It is important to note that this voluntary recall affects only Stellar models destined for Canada, produced prior to June 9, 1986. Pony and Excel in Canada and Excel models in the United States are not affected.

Free lifesaver tags come to Canada

Statistics show that one in five children will end up in an emergency room sometime this year. Almost all of them who are not with parents have none or incomplete emergency information, making more difficult the performance of police, paramedics, emergency room nurses and doctors.

Due to the fact that today's society is more mobile and that there are more work-

ing and single parents, it is important for children to carry some type of emergency information with them at all times.

Lifesaver Charities, a non-profit organization, has designed a small machine washable tag, a little larger than a postage stamp, which can be filled out by parents with an ordinary ball point pen and sewn into clothing or

implemented in footwear. This tag gives emergency information to emergency service personnel to maximize care if a child is injured.

Lifesaver Charities has arranged for these Emergency Alert Tags to be given away FREE at schools, police, block parents and K-Mart stores.

Lifesaver tags are always FREE. Be a Lifesaver. Tag Your Children.

Eldorado Beauties take 4 championships

by Isabella Shaw
Within four years the Eldorado Beauties have won an unbelievable four Ontario Championships.

Their latest victory was announced this past week after St. Williams conceded the second game of the series to the Beauties. With this came the Ontario Championship title.

The girls travelled to St. Williams on Sunday and played to a 26-3 win over the host team.

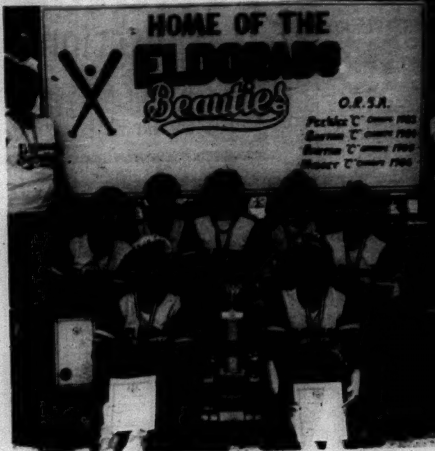

In the first Tracey Trotter and Andrea Peters scored on a double by Sherrie Whiteman. They added one more in the third when Sherrie scored. St. Williams tied the score in the bottom of the third, with what proved to be their only three runs.

In the fourth, the Beauties started to heat up with four runs. These runs were scored by Andrea P., Tracy R., Linda Bailey and Patti Brownson.

In the fifth, they reached boiling point as seventeen batters came to the plate for thirteen runs. Tracy I., Andrea P., Tracy R., and Sherrie W. each scored twice. Linda B., Patti B., Annette F., Suzanne F., and Susan S., had single runs.

A cooling trend started in the sixth with four runs by Susan S., Tracey T., Andrea P., and Tracy R.. Andrea and Tracy R. finished the scoring in the top of the seventh.

Andrea went the distance for the winners with 16 strike-outs, 5 walks and 1 hit. The day was hot and the team was hot and as a

Some of the Eldorado Beauties pose in front of the new sign Eldorado Diamond just after being awarded their medals and

result, the win was inevitable.

A phone call to Carl Littlejohn confirmed the series had been completed and the girls would receive the Midget "C" crown at the league banquet in Waterdown on Oct. 5. The girls were finalists in this series last year.

modern technology transformed the rural economy. Now, Research Branch scientists go out around the world, to countries not much more advanced than we were 100 years ago, to show what we have learned.

Problems of drought, cold, pests, disease, transportation, storage, and high costs of production have been tackled by Agriculture Canada researchers through the years. Livestock performance has been vastly improved, crop

yields increased, food made safer and more nutritious and tastier. Old crops have been improved, new products introduced, and food processing refined to keep agricultural products moving to the tables of the nation.

Research Branch's 900 scientists and the other branch staff are the inheritors of this century of research tradition. This centennial year they are opening their labs and fields and barns to show the public their accomplishments.

Still in business as Research Branch establishments are the original five experimental farms. They are located at Nappan, Nova Scotia; Ottawa; Brandon, Manitoba; Indian Head, Saskatchewan; and Agassiz, British Columbia. After a century, they are still at it, creating and managing change in the agri-food industry.

MEMORIALS

FOX In loving memory of a dear husband, father and grandfather, Earl, who passed away August 26, 1984. We do not need a special day to bring you to our minds. For the days we do not think of you. Are very hard to find. Always remembered by wife Edna and family.

BLAIR - Husband, Percy, who passed away August 31, 1985. A million times I've needed you. A river of tears I've cried. If love could have saved you, dear. You never would have died. If this world was mind to give. I'd give it yes and more. Just to see your loving face. Come smiling through the door. Beautiful memories woven in gold. They are the pictures I tenderly hold. Deep in my heart your memory is kept. To love and to cherish and never forget. Wife, Ruby.

CARSWELL - In loving memory of a dear husband, father and grandfather, Buck, who passed away September 4, 1985. His smiling way and pleasant face. Are a pleasure to recall. He had a kindly word for each. And died beloved by all. Some day we hope to meet him. Some day, we know not when. To clasp his hand in better land. Never to part again. God took him home, it was His will. But in our hearts, we love him still. His memory is as dear today. As in the hour he passed away. We often sit and think of him. When we are all alone. For memory is the only friend. That grief can call its own. Always missed, never forgotten by the Carswell family.

BLAIR In loving memory of a dear father and grandfather, Percy Blair, who passed away August 31, 1985. Loving and Kind in all his ways. Upright and just to the end of his days. Sincere and kind in heart and mind. What a beautiful memory he left behind. What we would give to clasp his hand. His happy face to see. To hear his voice and see his smile. That meant so much to us. Chet and Bernice, Bernard, Betty & family, Mary, Cal & family.

REDCLIFF - In loving memory of a dear husband, Wilfred, who passed away August 30, 1984. Fondly loved and deeply mourned. Heart of my heart, I miss you so. After my darling, my tears will flow. Dimming your picture where'er I go. 'Tis sad but true, I will abide. Until some day we'll be side by side. Lovingly remembered by wife, Clara.

MARTIN - In loving memory of a dear brother-in-law, Leonard (Jack), who passed away September 4, 1980. We mention your name. And speak of you often. God Bless you, dear brother, in-law. You are not forgotten. Sadly missed by Toots.

MEMORIALS

MARTIN - In loving memory of a dear husband, father and grandfather, Leonard (Jack), who passed away September 4, 1980. Those we love we never lose. For always they will be Loved & remembered, treasured. Always in our memory. Sadly missed by wife, Georgina (Jean) and family

Madoc Court

Speculation that the Madoc Court is to be removed from the village, has given rise to great concern on the part of the village Council and other members of the community.

Reeve Deline and Council members are

making a determined effort to forestall the loss of this valuable community service.

Jim Pollock M.P.P., responding to a request from the Village Council, raised the issue with

General who responded by saying that the matter is under investigation and the results would be made known in the near future.

Rather than wait the results of this investigation, only to find that a decision

has been made to eliminate or remove this service without input from the community, Council passed a motion to send a petition to Premier Peterson.

The petition, supported by Hastings County Council

and Reeve John Clemens of Tweed, requests the assistance of, and the intervention in this matter by the Honourable David Peterson, Premier of Ontario.

Reeve Deline said, "If the courts are

closed in Madoc, it could be the thin end of the wedge and could lead to the closing of other services in Centre Hastings.

Reeve Deline said that he had received information that an official from Toronto would be in Madoc

this week to discuss leasing and other arrangements for the per diem count. Also, it was his understanding that there was to be a reduction in the number of days of court sittings to be considered at this time.

Council Petitions Premier Peterson

Huntingdon

Community Complex Officially Opened

Larry Jones, designer of the addition, Reeve Glen Franks and Jeana De Jong, supervisor of construction, perform the ribbon cutting for the expanded centre.

The chilly weather on last Saturday evening kept the three ribbon cutting ceremonies to a minimum at the dedication of the expanded facilities of the Ivanhoe Community Complex.

There was a good turnout of citizens and dignitaries for the evening to inspect the ball diamond with its canteen and change rooms and the addition to the hall and offices.

The standing room only crowd listened and applauded as Reeve Glen Franks introduced guests and a large number of people who had been involved in the various projects. He outlined the various Federal and Provincial grants that had been obtained, the donations of time and materials and the co-operation that council had received.

Norm Critch, President of Madoc Legion, Glen Franks, Jim Pollock and Randy Hachey, chairman of the ball diamond committee, officially open the ball park.

The Township of Huntingdon can be proud of their new facilities and of the people who worked so hard over the past

few years to bring these changes about.

Hastings-Peterborough

New Liberal Association

At a founding meeting in Bancroft on Wednesday the 3rd of September, the new Hastings-Peterborough Liberal Association was formed to reflect the changes brought about by the recent electoral boundary changes.

Ev. English, a vice-principal with the Hastings County Board of Education, was elected President along with three other members of the executive.

English cites the building of a strong association in all parts of the riding as the number one priority.

Other members of the executive elected

at the meeting were: Roger Davis of Stirling as executive vice-president, Bettina Hawke of Ormsby as secretary and Maureen Cardona as treasurer.

The first meeting of this new association will take place at

the Madoc Public School on September 15th at 8:00 pm. At this meeting, three more vice-presidents will be appointed, one each for North Hastings, Centre Hastings and Peterborough County.

Rabies Deadline

This coming Saturday, the 13th of September, is the day that the County By-law requiring all domestic dogs and cats to be vaccinated against rabies comes into effect.

This deadly disease poses a serious health threat, and the owners of pets not vaccinated after this date that come into contact with a rabid animal could face a stiff fine.

Remember the date and protect your pets, your health and your pocketbook.

Members of Legion Branch 363 Madoc present an electronic scoreboard to Huntingdon Township for their new ball field. Huntingdon is the third area municipality to receive such a scoreboard.

Members of the Madoc Legion posed in front of the new electronic scoreboard at Ivanhoe. Left to right, 2nd. V.P. Laverne Carman, 1st. V.P. Claver Hollaway, Nettie Ash, Gavin Adams, Gloria Reid, Jeana Scott, Warden Glen Franks, Legion President Norm Critch, Jean Aylesworth, Past President Cecil McBride, Una Adams and Tom Ash.

Madoc

near Smiths Falls and in fact was the fourth generation to operate the family farm. Called to the ministry a little later in life than most ministers, he and his wife, who has spent some twenty years working with mentally handicapped youngsters, bring a wealth of life experience to their new charge, and appear to be well prepared to tend to the needs of their parishioners.

The Induction Services will have the Rev. Jewell of the Wesleyan Church and the Rev. Buchanan of the Free Methodist Church officiating and will be followed by a Fellowship time.

Rev. Lyle extends a warm welcome to anyone and everyone wishing to attend.

le, Madoc Wesleyan and arch.

suggested during his review that in the fall each year, all of the stop logs should be removed from the St. Lawrence Street dam in order to keep the ice build up small and reduce dam damage.

After a complete review of the program draft, Meeks said that the Council has to come back to the MRCA with the project prioritized by segments.

To assist Council, Garraway is to Cont'd on page 3

Anglers in the Tweed District A Fisheries Planning Meeting

This is the second and last public meeting to discuss the Tweed District Fisheries Management Plan. The Ministry of Natural Resources has completed all of the background information on the waters in the Tweed District and has utilized the input from the public to prepare a draft of the Fisheries Management Plan. The purpose of this meeting is to present and discuss the fisheries management strategies in the plan. There will also be an opportunity to discuss the future management direction for fisheries management in Tweed District.

The following is the location for this meeting. Anyone with an interest in fisheries management is welcome to participate.

DATE: September 12, 1986
TIME: 7:30 p.m.

LOCATION: Barrie Township Hall, Cloyne, Ontario

Ministry of Natural Resources
Hon. Vincent G. Kerrio Minister
Mary Mogford Deputy Minister

Big Brothers and Big Sisters

Jamie Morton, navigator and driver Jim Pllock check in with Jack McMurray of Tweed at the end of their run in the Car Rally held by Big Brothers and Big Sisters last Sunday.

Sixteen cars entered the rally with participants from Stirling, Tweed and Madoc. There was a winner for each area and in the Madoc contingent, Betty Workman, driver and Dorothy Bailey, navigator took first place.

Trophies were donated by Bert Jones Motors, McKeown Motors of Stirling, Trudeau Motors of Tweed, and Tweed Motor Sales.

Bottom left, some of the balloons released last Friday from the Madoc Public School as part of Big Brother Month in Canada.

Madoc Village

Cont'd from page 2
prepare copies of the draft report for Council and Council is to make the decision on the way to go. The total cost is projected to be 1.989 million dollars with the Village's share being 15%. This can be staged over several years.

Bob Clarke of TSH who is in the process of developing an updated zoning by-law for Madoc said that the flood lines as presented by the MRCA is larger than that used on the Official Plan.

Council authorized Clarke to investigate the Official Plan requirements and report back to Council.

Clarke tabled up dated Copies of the present municipal zoning and said he would contact Council when he is ready for another meeting.

Eldorado U.C.W. held their September 2nd meeting in Eldorado United Church at 1:30 p.m. President Lois Blackburn welcomed the 14 members. She opened the meeting with a reading, "God

Are You There?"

Secretary Winnie Keichem read the minutes, followed by the treasurer's report by Edith Boyle.

A business meeting followed. Some dates to remember: October 23rd - Fall Rally in Tweed United Church; November 2nd - Belleville Presbyterian Stewardship Event to be held in Hallway Street United Church, beginning with a 5:30 p.m. supper. Our next U.C.W. meeting will be held October 7th, 1:30 p.m., at Florence Blakely's. Roll call was

answered by members reporting on calls made to sick or shut-ins and cards sent out, and donating women's clothing.

Everlyn Boyle was in charge of the program and worship. The theme was "Native Studies". A comparison of Non-Native and Native Cultures emphasized the rather stereotyped views of both societies: nevertheless demonstrated some of the conflicts that can occur because of the different priorities set by non-Native and Native people.

A film, "A Time Be Brave", told story of a Cree Indian family living Northern Ontario. This film raised many of the issues native people have deal with such stereotyping, isolation, loneliness, claims and fact life. It gave us opportunity examine our feelings toward native people.

A short worship service followed with a reading on Reflections. The reader stressed that life constantly changing. Can we accept which comes

Schools to Participate

The staff and over 270 students from the Senior School will travel by bus to the site of the Plowing Match on the opening day, Tuesday, September 16th.

At the site the teachers, with the aid of several volunteer parents, will guide their classes through the various sights and displays.

The Junior School, with approximately 260 students, is planning to visit the farming event as well. Junior School Principal Robert Fisher explained that students from the Junior School will be bussed to the site on Wednesday, September 17th.

Not only will the students be attending

the Plowing Match as spectators but there are a number of students who will get the chance to provide some entertainment for the thousands of other spectators who will be attending the event.

On Friday, the 19th, the Stirling Junior School Operetta will be performing

from 10:00 to 10:30 a.m. onstage at Hastings County Board of Education of the Hastings County Tent.

Early in the afternoon, it will be the Senior School's turn as the Stirling School Chorus performs onstage from 2:35 to 3:05 p.m.

Highlights of Meeting

Township of Huntingdon

The regular meeting of the Council of the Township of Huntingdon was held at the Township Hall in Ivanhoe on Monday August 11, 1986.

Mr. & Mrs. Herman Boersma attended Council meeting to request permission to reside in a trailer while constructing a new home.

Moved by Ken Yarrow. Seconded by Ted Pollock.

"THAT Mr. & Mrs. Boersma be given approval to live temporarily in a trailer while constructing a new

home, for a period of up to one year."

Carried.
Garth Westall advises that he has sand suitable for winter sand at \$3.00 per cubic yard.

Moved by Ted Pollock. Seconded by Ken Yarrow.

"THAT Mr. Westall be informed that the Township has already purchased sand for 1986-87 winter season but thank him for his offer and advise that Council will check his supply on their fall road tour."

Carried.
Janitorial requirements for the hall and municipal offices were reviewed. A list of duties in connection with weekend rentals was also discussed.

Moved by Ken Yarrow. Seconded by Bill Allen.

"THAT the janitor receive his basic monthly rate for duties as detailed and an additional \$20.00 for weekend or special events."

Carried.
Moved by Ken Yarrow. Seconded by Ted Pollock.

"THAT the rental rate for the hall for dances, banquets and special events will be \$100.00 plus \$25.00 for the use of the dishes."

Carried.
Moved by Owen Ketcheson. Seconded by Ted Pollock.

"THAT Stag Parties will not be allowed in the hall."

Carried.
Moved by Owen Ketcheson. Seconded by Bill Allen.

"THAT the Fire Department and Recreation Committee get free use of the Hall for all functions."

NOTE: The above motion did not carry.
Moved by Owen Ketcheson. Seconded by Ken Yarrow.

"THAT the Fire Department and Recreation Committee get the use of the Hall free for three weekend events (prime time), additional events at regular rate and that fund-raising events taking place through the week (non prime-time) will also be free of charge."

Carried.
Council was presented with two reports of livestock valuers Burton Calvert and Gordon Preston.

Moved by Ken Yarrow. Seconded by Bill Allen.

"THAT Lee Gillespie be paid \$125.00 for one ewe killed by dogs."

Carried.
Mr. Calvert's valuation stated that two dogs were shot at the scene by Mr. Gillespie. Tag Numbers 413 & 414.

Moved by Ken Yarrow. Seconded by Ted Pollock.

"THAT the owner of the dogs be invoiced \$125.00."

Carried.
Moved by Owen Ketcheson. Seconded by Bill Allen.

"THAT Don Alexander be paid \$84.00 for one lamb killed by dogs."

Carried.
A request was received from the Fire Department to remodel the front entrance to the old Hall as soon as possible, in order to streamline the exits.

Moved by Ted Pollock. Seconded by Ken Yarrow.

"THAT renovations to the front entrance be included in the total retrofit program of the old Hall and undertaken when funding is available through the Capital Conservation Program."

Carried.
Moved by Ken Yarrow. Seconded by Owen Ketcheson.

"THAT Russell Vilneff be hired under the Section 36 Work Program to supervise the crew."

Carried.
Moved by Owen Ketcheson. Seconded by Bill Allen.

"THAT Mr. & Mrs. Storms be advised that the trailer must cease to be used as residential no later than September 15, 1986."

Carried.

St. Peter's Presbyterian Women's Club

by Miss L. West
The Women's Club met at the home of Mrs. Thelma McCoy on Monday, Sept. 1st, at 8 p.m. with 13 members present. The President, Anne McIntosh, welcomed everyone and read a poem "Take Heart". The Devotional conducted by Mrs. Mary Trotter consisted of a meditation in the Twenty-Third Psalm, preceded by the

repeating of the Psalm in unison and followed by prayer. The two summer projects consisting of a No-Bake Sale and Talent Money were very successful. The card report from Mrs. Prudence McCoy showed that 15 cards had been sent during the summer. It was decided to purchase 45 Church Calendars to sell at \$2.00 each. The Club is respon-

sible for Madoc Manor visits during September. The Club is also participating in the Ploughing Match activities. A Rummage Sale is scheduled for Friday, October 3, 3-7 p.m. and Saturday October 4, 9-12 a.m. Xmas Bazaar and Tea will be held on Saturday, Dec. 6th. The Club voted to contribute \$300.00 to the Renovation Fund for the installation of new Eave Troughing on the Church. The Club also decided to purchase some new items for the kitchen. Lunch was served by the hostess assisted by Mrs. Mary Hubbell and Mrs. Helen Trotter. Prudence McIntosh expressed thanks to the hostess and others who had participated.

Diefenbaker

The unveiling ceremony of the Statue commemorating the memory of the late Right Honorable John G. Diefenbaker is scheduled to take place on Parliament Hill at 12:30 p.m. on Thursday September 18th.

The statue of Mr. Diefenbaker will be the first statue on Parliament Hill to be cast in Canada. The bronze casting is being done in Georgetown at the Artcast Foundry.

Madoc Anglican Church

The A.C.W. held its first meeting of the fall in the Parish Hall on Sept. 2. The president, Marg Keller, opened with devotions and welcomed all present. Minutes were read and approved and the treasurer's report was given by Irene Ross. Our bake sale in July at the "Everything Festival" proved to be a great success. Some of us were sorry we missed

meeting Mrs. Deni Clark (our new rector's wife) due to the unexpected illness of her father. She had to fly to England on Monday. Our prayers are with her at this time.

The ladies, along with the men of the parishes of Hannockburn and Madoc, have been working very hard redecorating the rectory. It is nearing completion now. Thanks to everyone who has

helped in anyway. Elvi Brownson gave a report re the Inter-Church Pavilion which will be at the ploughing match in Stirling this month. Madoc Day will be Sept. 17, with ladies from all area churches participating along with the clergy. Entertainment will be provided by local church and school choirs and other individuals and groups. Plan to attend.

A discussion followed on various ideas that we must undertake this fall. The annual fall Tea Bazaar will be on November 29, at Anglican Parish in Madoc.

The annual meeting will be held on Thursday, October 9, at Paul's Church, Marmora. Bishop Alan Kirk will be the celebrant.

Queensborough News by Goldie

Mr. and Mrs. Gerrit de Jonge of Orono spent the weekend with Rev. Jeff de Jong, Michele and Sarah at the Manse.

Mrs. Wilb. Lynn spent the weekend at

the home of Mr. and Mrs. Robert Lynn at Grafton.

Mr. Bob Ash and Mrs. Patricia Davis of Scarborough visited Mrs. Arthur Holmes on Monday. Labour Day.

Mr. and Mrs. Kenny Walker and family of Tweed, and Mr. and Mrs. Kelly Lucas, Lawrence and Kelly Lynn of Belleville visited Mr. and Mrs. Alex Clarke during the holiday weekend.

Mr. and Mrs. Cassidy and Mr. Mrs. Allan Ramsay attended the wedding of Rev. Hilary Scott and Mr. Merrill on Saturday in Odessa Union Church. Rev. I. Scrutton of Brant

Operation Dismantle

Celebration of Hope

To commemorate the fact that 1986 has been proclaimed the International Year of Peace by the United Nations, the Quinte Branch of Operation Dismantle is sponsoring a Celebration of Hope at the Zwisch's Island Bandshell in Belleville beginning at 12:00 noon, Sunday, September 14. Events will include presentations by a number of distinguished speakers addressing the topic of peace and survival in the nuclear age, a wide-ranging program of live music by professional musicians who have volunteered their services, activities and entertainment

for kids, and a corn roast.

Everyone is invited to join us in celebration of the joy and sacredness of life on earth and the potential of the average citizen to work towards a safe and peaceful planet for our children. We believe every reason to celebrate life is a reason to work for the abolition of nuclear weapons.

"Just because you're saving the world, it doesn't mean you have to have a bad time."

Free admission. Everyone welcome.

COUNTY OF HASTINGS TENDER FOR CRUSHING CONTRACT NO. 7-86

Sealed tenders, on the forms supplied and clearly marked as to content, will be received by the undersigned until 4:00 p.m. Monday, October 6, 1986, for the crushing and/or stockpiling of approximately 33,000 tons of 7/8" Granular material and 2,000 tons of 5/8" Granular material.

The crushing sites are in Lot 6, Concession 9, Rawdon Township and Lot 18, Concession 2, Huntingdon Township.

Tender forms and specifications for the project may be obtained from the office of the Purchasing Agent.

Lowest or any tender not necessarily accepted.

James R. Duffin, A.M.C.T., Purchasing Agent, County Administration Bldg., P.O. Bag 4400, Belleville, Ontario K8N 3A9

Madoc Council

Cont'd from page 3

The evening session was chaired by Deputy Reeve Jim Watson in the absence of the Reeve.

Deputy Reeve Watson advised that most of the agenda had been dealt with at the Special afternoon session and that the evening meeting would deal with the balance of the agenda.

Forman Crawford asked if Council was going to tender for the sanding and plowing of Village Streets. He added that when he mentioned this to the Reeve, he said not this year.

"Councilor Matchett said that Tom Struce asked if the village will be tendering," she added that she would like to see it tendered.

A motion was made and carried that the sanding and plowing of Village Streets be tendered for the winter of 1986-87. The Clerk was instructed to run "ads" in both local papers for two weeks.

Foreman Crawford reported on the need for an additional trench at the Landfill site. He was authorized to proceed with the required trench at the Landfill site.

Preparation for IPM going smoothly

Over the past couple of weeks the International Plowing Match and Farm Machinery Show site north of Stirling has been a veritable beehive of activity as the opening date of Tuesday, September 16th looms ever closer.

Tents, trailers, portable toilets, hydro and telephone poles, and even twenty-five phone booths have been sprouting up all along the six miles of streets laid out for the Match's Tented City.

This past Monday morning work crews descended on the site, located on the Clayvale and Richland Farms, to put the finishing touches on the city and many large companies began moving in their exhibits.

"Everything is going according to plan," Publicity Chairman Bill Sutherland exclaimed, "and it looks like its going to be a great show!"

"There will be something for everyone, right from the kids all the way up," Bill said, enthusiastically adding that the event is going to be bigger than Expo '86.

"We're expecting approximately 130,000 people," he said, adding that in the past number of weeks they have received inquiries from all over Ontario and even the United States.

It will be an exciting week as dozens of displays exhibit the latest techniques and equipment in agriculture. There will even be computer programs that have been adapted to agricultural use on display.

"It will be an excellent indicator of what will be the leading trends in agriculture in the next decade," Bill said.

An additional bonus from the Plowing Match for the county will be the spinoff of

revenue, he said. The event will give a lot of people the opportunity to see Hastings County and hopefully they will return for future visits.

"For such a massive operation, it has run quite smoothly," he said. "Everything is in order and well greased, and that's because everyone has done their job, and done them very well!" The reports from all of the numerous committees indicate that the preparations are organized and ready.

All of the committee chairmen will meet tonight to confer and make sure that everything is in tip-top shape.

(It was announced at the Media Day, held August 27th at the Match site, that the Match will have to go ahead without the added benefit of having any horse plowing events. The difficulties in obtaining sufficient liability insurance proved insurmountable.)

Ontario Premier to attend opening day

The Honourable David Peterson, Premier of Ontario, will attend the Opening day ceremonies for the International Plowing Match and Farm Machinery Show on Tuesday, September 16th, 1986. The 1986 Match is being held in Stirling, Hastings County and 150,000 people are expected to attend the five day event.

The International Plowing Match and Farm Machinery Show is one of the biggest and most important agricultural trade shows in North America. Organizers are expecting over 500 exhibitors to fill the 80 acre site of the Tented City. Everything from combines to home and garden tractors will be on show.

The 1986 International Plowing Match runs from September 16 to 20 in Stirling, Hastings County. Admission for adults and children 14 years and over is \$6.00. Children 13 years and younger pay \$2.00 and preschoolers are admitted free. There is ample free parking near the site. Free transportation between the parking areas and the Tented City is provided by the Hastings County Junior Farmers.

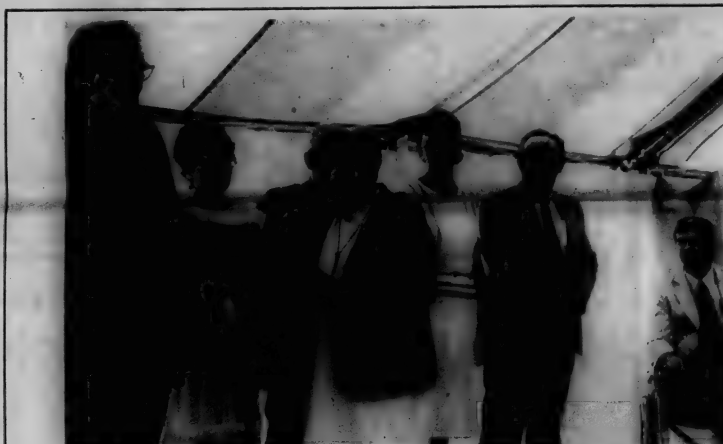

Soviet minister to visit IPM site

The U.S.S.R. Minister of Crop Production, Mr. Romanenko, will lead a delegation to the International Plowing Match and Farm Machinery Show on Wednesday, September 17th, 1986.

Following visits to Western Canada and Ottawa, the ten member group will be met by Dr. George Collins, Assistant Deputy Minister of Marketing and Standards of the Ontario Ministry of Agriculture and Food. A plowman's luncheon sponsored by the Ontario Plowmen's Association will precede a tour of the machinery demonstrations co-ordinated by Brent Hamre of the Canadian Farm Industrial Equipment Institute.

Accompanying Romanenko will be four Regional Agricultural Chiefs from Poltava; Altaysky Krai, Volga and Orenburg regions; Mr. Kryazhkov, Director of Agricultural Equipment Institute, Moscow, U.S.S.R.; Mr. Seryoghin, Senior Official, Gosagroprom, U.S.S.R.; and Federal officials.

Before their departure to the U.S.S.R. the group will be honoured at a dinner hosted by Ontario Agriculture Minister, the Hon. J. Riddell, in Toronto.

Ethel Mumby, widow of Ken Mumby, accepts the beautifully carved award from OPA President Edgar Wilson, while the Mumby

Family and Artist John Meyers look on, August 27th.

Mumby family accepts trophy

An original specially commissioned wood carving by noted Canadian artist John Meyers will become part of the tradition of the 1986 and all future International Plowing Match and Farm Machinery Shows.

Commissioned by the Mumby family of Hastings County in memory of the late Ken Mumby, a 26-year Ontario Plowmen's Association

director, the carving will be awarded as a trophy in the Special Class II plowing event.

"Dad worked hard on the initial field work to bring the Match to Hastings County in 1966," says Ruth Johnston, daughter of the late Ken Mumby. "He was an OPA Director for Hastings County for 20 years. He passed away while attending an OPA event in

London in 1985."

The Mumby Memorial Trophy is a carved plough with brass plaque.

Presenting the trophy to the Ontario Plowmen's Association President Edgar Wilson on August 27th, 1986, were Ethel Mumby, widow of Ken Mumby; daughter Ruth Johnston; and husband Ron Johnston of Foxboro; son George Mumby and wife Carol of R.R. 6,

Belleville; and son Don Mumby and wife Wendy of Stirling. Artist John Meyers was also in attendance.

The Mumby family has also commissioned a large carving depicting the late Ken Mumby and the original Mumby farm in the back-drop. The work will be on display at the 1986 International Plowing Match and Farm Machinery Show at Stirling, September 16 to 20. Following the Match, the John Meyers work will be displayed in the Council chambers of Hastings County for one year.

Artist John Meyers undertook extensive research before beginning the hundreds of hours of skilled workmanship to execute both pieces.

OPP 16th annual golf tournament

Ontario's finest held their Sixteenth Annual Golf Tournament at Pine Ridge Golf Club on September 3rd.

The Campbellford Detachment hosted the event and the O.P.P. turned out in force and dominated the Course.

After the initial early morning fog, the weatherman turned on the sunshine and everybody had a great time.

A total of 136 golfers attended the occasion, which climaxed with an excellent roast beef

dinner and plenty of prizes.

The organizing committee of Don Emmons, Harry Marshall and Doug Keene deserve credit for a well-organized program.

Among notable officials present were Number 8 District Supt. Bruce Wheeler.

Inspector John Deslaurier and Staff Sgt. Tom Redpath. Lindsay.

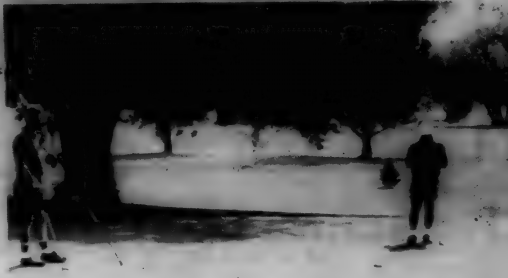

Prominent retirees who attended, and their previous ranks included: Asst. Commissioner Norm McComb, Staff Supt.

Harry Pelz, Number 8 District Supt. John Cross, Number 5 District Inspector Bob Keene, G.H.Q. Inspector Gordon Oliver, Corporal John Bannon and Corporal Joe Bird.

The Boys from Picton played pretty fair golf. Low gross for the O.P.P. was won by Bill Walby and low net for the O.P.P. was won by Bert Kea, both of Picton.

Civilian prizes were won by Doug Kane of Campbellford with low gross and Pat Kerr of Campbellford with low net.

The O.P.P. graciously donated all net proceeds from the Annual Tournament to charity.

Putting it away!

Old Boys Bash Tourney needs six competitors

Campbellford - Got a competitive over 30s mens' three pitch team looking for a competitive tournament to play in? If you've got the team, we've got the tournament.

The Old Boys Bash Three-Pitch Softball Tournament is being held in Campbellford on September 20-21 and they still need six teams to complete the 24-team total they

are looking for for this event. The tournament is for men only over the age of 30.

Interested? Well maybe this will make you even more interested. The A championship winner will take home \$500 and the B championship winner will take home \$300. The A runners-up will take home \$250 and the B runners-up will net

\$150.

One hundred per cent of the after prize proceeds will go to the Campbellford Memorial Hospital Building Fund.

Entry fee for the tournament is \$150. The first 24 teams are accepted and a case of 24 is presented to each team eliminated.

Normal three-pitch rules apply. A complete set will be sent to each team as soon as they register. A minimum of nine

and a maximum of 12 players is required for each team. Each team must submit a team list before the first game. The list will be sent with the rules.

All players must have two types of identification to prove age i.e. driver's licence, birth certificate, social insurance number card or private insurance card. All Red Dot balls are supplied. registration fee is \$25 with no exceptions

Tai Chi exercise program

CHSS Martial Arts Club will soon offer the intriguing and beautiful art of Tai Chi in its programme. Classes in this ancient Chinese art will be conducted separately from the normal martial arts classes. Indeed, the atmosphere and pace is to a marked degree very different.

Tai Chi, over the last number of years, is gaining in popularity as a form of gentle exercises, which could be almost described as a type of moving yoga without hyper-extension. Classes are conducted in a relaxed, very low-key

manner. Tension is the enemy to be overcome.

Tai Chi is especial-

All roads ready for International Plowing Match and Farm Show

All's ready for the expected 150,000 visitors to the Hastings County International Plowing Match and Farm Machinery Show, September 16 to 20.

ROAD ROUTES:

Road routes to the 800-acre site will be clearly signed. Over 40 Ontario Provincial Police officers will be stationed along the routes to direct traffic to the six major parking areas. Parking is free!

From the north, traffic from the east and west along Highway 7 will be directed from Highway 14 at Marmora to parking sites where the second and fourth Rawdon Township concession roads intersect Highway 14.

Coming south from Campbellford on the Stirling/

Campbellford Road (County Road 8), traffic will be diverted to the Rawdon Township third concession road to Highway 14 and concession road 4 where parking is situated.

From the south, eastbound Highway 401 traffic will be directed north on County Road 4 (Glen Miller exit) to Highway 35 at Stirling, then west on County Road 8

(Campbellford/Stirling Road) toward Stirling, and then follow road signs to the parking sites.

From the south, westbound traffic on Highway 401 will exit north at Highway 62, beyond Foxboro to County Road 8, turning west on the Ridge Road toward Stirling

to where the second concession crosses the road. Turning north, traffic will then take the first turn on the right to the parking area.

Traffic going north on the Wallbridge-Loyalist Road just west of Belleville, will be directed by signs beyond the Highway 14 intersection.

Within the village of Stirling, two O.P.P. officers will be directing traffic.

Hastings County, the provincial Ministry of Transportation and Communications as well as local municipalities are all co-operating on the extensive road signing.

SHUTTLE SERVICE:

A shuttle service will be running from the Quinte Mall, Belleville, at the southwest corner of Highway 401 and Highway 62, hourly between the hours of 8:00 a.m. and 6:00 p.m. for three of the five Match dates: September 18, 19 and 20. The complimentary shuttle is running courtesy of Franklin Coach and Tours Limited and Quinte Mall. Designated parking depots will be located at both the Match site and Quinte Mall.

AIRPORT AVAILABLE:

Two 2,000 foot strips will be located

one mile north of Tented City about 10 miles from Stirling VOR on the 120-degree radial, three miles north of Stirling. 80 and 100

octane gas will be available. Stirling Airport is the nearest alternative. ADMISSION TICKETS: Remember, park-

ing is free! Admission is \$6.00 per day per adult. Preschoolers are free. For school children up to 13 years of age, daily admission is \$2.

Collector's plate

A limited edition collector plate has been produced to mark the 1986 Hastings County International Plowing Match and Farm Machinery Show.

Depicting the logo 'Hastings Agricultural Heritage', the design has been beautifully illustrated by artist Jim Ritchie, based on the original sketch of Don Pollock. Each plate is numbered and dated.

Priced at \$32.10 (\$29.90 plus \$2.20 tax), the plate is a unique and valuable collector's item. The plates are on display at various locations throughout Hastings County, or from Jim and Helen Thompson, chairpersons of the Historical and Antiques committee for the Plowing Match being held September 16 to 20 at Stirling, Ontario.

For mail orders, make cheque payable to the Hastings County I.P.M. Association, and send your orders to: Jim and Helen Thompson, R.R. 1, Stirling, Ontario, K0K 3E0. Phone: 613-395-3071.

Chairman's welcome

About 30 committees and over 200 volunteers are busy hoping and planning to make the Hastings County International Plowing Match and Farm Machinery Show something in which you will be pleased to be involved.

This early Media Day we want you to see and remember the site as it is now and recall this a few short months from now when we hope you will be back. The hundreds of tents which will appear, require miles of hydro lines, miles of water lines, adequate telephones, toilets, security, fire protection and acres of parking.

The costs of this five day event even with many volunteers are staggering. We need the help of the media to make our gate receipts match those costs. We hope some of the enthusiasm of our people will 'rub off' and make you as enthusiastic as we are. Bob Phillips, Chairman - Local Committee.

CHSS Martial Arts Club News

September is registration month for CHSS Martial Arts Club. Now in its fourth year, the club offers three Oriental martial arts: Karate, Jiu Jitsu and Kung Fu.

Karate is a fascinating hand-foot form of self defence, which, aside from its obvious self confidence building aspects, is fast becoming popular as a form of fitness, especially among North Americans.

Tai Chi fascinating form of exercise

Cont'd from page 27
points and the spine. The movements are done quite slowly and are quite graceful in their execution.

Although Tai Chi is recognized as a premonitory fighting art, the CHSS Martial Arts Club will emphasize only the health giving benefits. For those who wish to pursue Tai Chi self defense this will be done separately at a later time.

Progress in Tai Chi is on an individual basis. A typical class involves a series of very slow warm-up exercises and postures many of which are moving, some which are static. Then the class may engage in a series of exercises, which will lead in practice on the main set of movements. There is enough variety to engage the mind and stimulate an appetite for further study.

At this time, we have not yet set a positive time frame for classes. We invite you to contact 473-4366 for inquiries into this fascinating form of exercise.

One brand of Karate is the Chito Ryu style, the first form of 'Karate-Do' (Way of Karate) introduced in Canada.

Jiu Jitsu, on the other hand, is a grappling form of self defence, long associated with Japanese history. Jiu Jitsu has some links with techniques used by the Ninja of feudal Japan.

Chinese Kung Fu refers to a much varied group of styles with a history that dates back thousands of years. Our style is the Lost Track style, originating in Northern China.

We are also, for the first time, conducting classes in Tai Chi. At this point, we have not yet decided on a time. We will first of all be emphasizing the health-giving benefits of this art, as opposed to the self defence techniques.

Our courses from the beginner level to the advanced are

closely supervised and recognized by major martial arts organizations. Each course is certificate-granting. In fact, one of our Brown Belts, Dr. Brereton of the Flinton area, will be attempting his preliminary Black Belt exam on September 7, at CFB Trenton. Thereafter, he will travel to Toronto for final exams before grading boards, one for Karate, and one for Jiu Jitsu.

Our martial arts workouts are known to be fairly brisk. During class, we observe all traditional "Dojo" (training hall) courtesies. In fact, as a traditional club, we foster the ideals of respect for elders, respect for property, respect for discipline, self reliance, self confidence and leadership. Without some development in any or all of these areas, no belts are awarded.

no new rank conferred.
CHSS Martial Arts Club invites you to take part in its Fall programme. To inquire about joining, simply phone 473-4366 or drop in at the club

in Gym 3 at Centre Hastings Secondary School, Madoc, on Monday nights at 6 during the special Children's Martial Arts Classes, or 7 for the Adults and Families classes.

MAKE THE SWITCH

...TO CORN HYBRIDS
THAT CAN WAKE UP YOUR PROFITS!

Now's the time to make the switch to winning
hybrid corn varieties from PAG Seeds.

Last year PAG released seven brand new
varieties of grain corn. Several varieties have
proven performance as top yield contenders in
Ontario. Top yields mean top profits for you.

SEE PAG AT THE PLOWING MATCH
FOR YOUR FREE TRAVEL MUG.

Come to see a PAG representative at the Plowing Match to place your order for any hybrid corn variety and you'll receive a free travel mug. Just bring the coupon from this ad with you to the Plowing Match and we'll take your order and give you the PAG Travel mug.

FREE TRAVEL MUG!

Edgar Wilson, President of OPA

Edgar Wilson, a farmer from Peel and Dufferin is the 1986-87 President of the Ontario Plowmen's Association. The Association is the co-ordinating body of the International Plowing Match (IPM) and Farm Machinery Show.

Wilson looks forward to the challenge of this year's IPM in Hastings County, September 16 to 20. The Match, according to Wilson 'has established itself as a top-notch trade show. Agricultural technology is changing so fast that farmers need to attend shows like this to keep on top of everything.'

Wilson and his wife, Ruth, have three children and together with his two sons, he operates a dairy and beef cattle operation near Bolton, Ontario.

Host Farms

CLAYVALE FARMS
The Sutherland and Dracup families feel of the hosts for the 1986 I.P.M. is an opportunity are looking forward to with great anticipation.

George and Jerrine Sutherland purchased residence in 1940. In 1948, they purchased George's father. In 1951, they bought a farm. In 1955, they purchased farmland between two farms. Clayvale Farms has 650 acres of farmland and a dairy herd of Holsteins.

Richard and Anne and family live on the farm. Clare, will be attending Kemptville Agricultural College with plans to farm with his father after graduation.

RICHLAND FARMS
George and Carrie Richardson, Edwin purchased their farm in 1910. Later it was sold to Frank and Edwin's parents. In 1964, Edwin and Shirley purchased their son and daughter-in-law, Gary and Shirley. Their son and daughter-in-law, Gary and Shirley, purchased their farm in 1977. This farm had also been a Richland Farms has 290 acres of workable farmland and a dairy herd of Holsteins.

Gary and Linda and family live on the farm. Jeffery attends school. The Richardson families feel very honored to be the 1986 I.P.M. hosts.

Safety at International Plowing Match

A joint committee of the Ontario Plowmen's Association, Forest Products Accident Prevention Association and the Workers' Compensation Board will be sponsoring a safety award program at this year's International Plowing Match and Farm Machinery Show in Hastings County. The program will centre on agricultural exhibitors with special emphasis on what safety measures are taken during live demonstrations.

Something for everyone

Women's World

In the Women's World area of the International Plowing Match and Farm Machinery Show in Stirling, Ontario, from September 16th to 20th, an exciting programme has been prepared.

Two tents will have continuous programming from 9:30 a.m. to 5:00 p.m. each day. Featured in the Food, Facts and Fun area will be Jack Riddell, Ontario Minister of Agriculture and Food, as one of the Celebrity Cooks. Many cooking demonstrations will use products of the Quinte Area - maple syrup, mushrooms, apples, cheese and pork. Groups and individuals from Hastings County will provide musical entertainment. The second tent will feature fashion shows including clothes for fitness, Centennial dress and Native Renaissance apparel. Wreath making, corn husk art and care of house plants will be featured. Experts will present 5 minute fact times throughout the day.

In the Arts and Crafts tent, 31 local artisans will display and sell their products. There will be demonstrations of wood carving, smoking, cake decorating and others. On display will be over 60 quilts and wallhangings.

The 'Just for Children' area will offer child care from 9:00 a.m. to 5:30 p.m. for children 2 1/2 to 7 years of age. Maximum stay will be three hours. Parents, there will be a comfort station.

Women's World will present programmes that will provide an entertaining and educational time for all who attend the Hastings County International Plowing Match and Farm Machinery Show.

For further information, contact: Mrs. Kay Summers, Women's World Chairperson, R.R. 1, Corbyville, Ontario. K0K 1V0 Phone: Home (613) 477-2411.

Throughout the week, all exhibits will be inspected and a certificate of safety awarded to those exhibitors who have made outstanding efforts to ensure public safety. On Friday, September 19, a special group of judges will examine these displays and select those worthy of awards of excellence and merit. The program is being instituted to encourage exhibitors to make their display areas as safe as possible for the public. For more information: Bev Rawn, 519-823-5700.

The International Plowing Match and Farm Machinery Show

September 16-20, 1986

Stirling, Hastings County
100 miles east of Toronto,
north of Belleville.

It's a family affair!

This carving, completed by local artist John David Meyers (son of well-known wood carver John E. Meyers), recently captured a fourth place ribbon at the 10th Canadian International Wood Carving Exhibition at this year's Canadian National Exhibition (CNE). (The competition is renowned for being the

largest in the world from around the categories.) The carving, by John David Meyers, is a testament to his art at the morning of September 10.

Women's Institute Tent

For the upcoming International Plowing Match, the Women's Institute members from Hastings and Prince Edward Counties and the members of the Hastings County Junior Women's Institute have combined their efforts in organizing

a tent for the Tented City.

The Women's Institute Tent will feature a display that tells the story of the Women's Institute and the Junior Women's Institute.

In an effort to promote and explain the Women's Institute organization, the

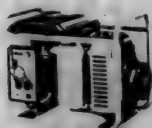

theme of the display will be "Women's Institute - Women's World."

Located on the north west corner of the Plowing Match site adjacent to the Children's Play area and Women's World, the tent's food area will have Institute members acting

Lieut. Gov. to open 1 PM

Colonel The Honourable Lincoln M. Alexander, P.C., K.St.J., Q.C., B.A., LL.D., Lieutenant Governor of Ontario will officially open the International Plowing Match and Farm Machinery Show on Tuesday, September 16th, 1986 at 2:00 p.m.

Prior to his appointment as Lieutenant Governor, Mr. Alexander was Chairman of the Workers' Compensation Board and Federal Minister of Labour.

The 1986 International Plowing Match runs from September 16th to 20th in Stirling, Hastings County. Admission for adults and children 14 years and over is \$6.00. Children 13 years and younger pay \$2.00 and preschoolers are admitted free. There is ample free parking near the site. Free transportation between the parking areas and the Tented City is provided by the Hastings County Junior Farmers.

Canadian Agricultural Industry Show at IPM

Over 500 exhibitors at the International Plowing Match and Farm Machinery Show will be demonstrating that Canadian agriculture is at the forefront of product development and on the leading edge of technological change. This high tech revolution has had a significant impact on Canadian agriculture and this will be reflected in the exhibits put on by agricultural equipment and machinery manufacturers, energy conservationists, computer companies and the agricultural service industries.

The International Plowing Match is primarily an agricultural trade show but the range of products shown at the Match is tremendous. Everything from huge combines and the latest in conservation tillage equipment to lawn and garden equipment are on site. The conservation tillage display, put on this year by

the Hastings County Soil and Crop Improvement Association, is back for its third year and will include performance data for equipment in the 60 to 100 hp tractor range.

Many of the exhibitors have been attending the Match every year for the past 25 years or more. 'We have a solid core of exhibitors but each year we get a number of local firms or groups that only exhibit when the Match comes to their area,' says Bev Rawn, Exhibits Coordinator for the Match. That's one of the biggest advantages to changing the location of the Match every year. It encourages new participants and helps add excitement to our exhibit area.

The 1986 Match will be held in Stirling, Hastings County and the response from businesses and manufacturers in the Belleville and Tren-

ton area has been very satisfying, says Mr. Rawn. The cheesemakers of Hastings County are putting on a demonstration of cheese making. They will be selling cheese along with local apples and honey.

Browse through the program of events for the International Plowing Match and Farm Machinery Show and you'll note a special designation is made for all five days.

Tuesday is naturally Opening Day. The final touches have just been done and exhibitors are fresh and eager to meet the crowd at 9:00 a.m. sharp. At 2:00 p.m. the Lieutenant Governor, The Honourable Lincoln M. Alexander will officially open the Match. Following the Ontario Plowmen's Association Luncheon a parade to celebrate years of dedicated work will weave its way through the Match site at 1:15 p.m. Conservation

Tillage is highlighted on Wednesday. Although demonstrations will occur all week, this important aspect of modern farming is worthy of special recognition. **Cont'd on page 15A**

Accommodation solutions

ACCOMMODATING SOLUTION FOR YOUR OVERNIGHT VISIT

There's no need to be discouraged by the fully booked motels and hotels within an hour's drive of Stirling, site of the 1986 International Plowing Match and Farm Machinery Show, September 16 to 20.

The bed and breakfast option provides ideal accommodation for individuals and families. Especially for the Match, many homes have opened their doors offering warm hospitality for as little as \$15 per person per night...and that includes breakfast!

'We have rooms available within sight of the Match site,' says Kathy Reid, Billeting Chairman for the 1986 Match. 'We take reservations and handle bookings, matching the customer with the host.'

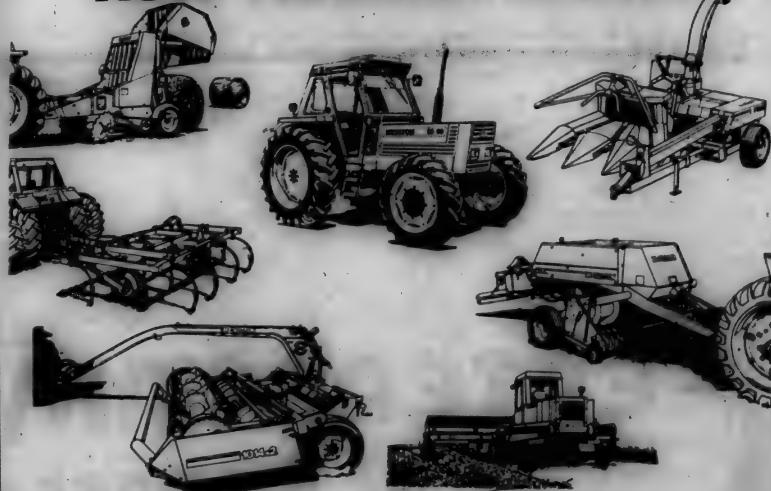

For those with trailers and tent-trailers, there's a 20-acre trailer park (but no pitched tents, please!) right next to the Tented City at the Match site. The rates for the 150 water and electrically serviced lots are \$60 Tuesday through Saturday. The daily rate is \$15. For the 150 unserviced lots (there will be toilet facilities available), the five-night Tuesday through Saturday rate is \$50, daily rate is \$12.

For trailer park clients wishing to arrive prior to Match opening, the park will open Friday, September 12th, at a pre-event rate of \$10 per night, serviced or unserviced lots.

For bed and breakfast billeting reservations and/or information, contact: Kathy Reid, Billeting Chairman, R.R. 1, Stirling, Ontario, KOK 3E0. Phone: Home (613) 395-5171, Business (613) 395-3962.

For trailer park bookings and information, contact: Doug and Phyllis Campbell, 242 Front Street West, Stirling, Ontario, KOK 3E0. Phone: (613) 395-2832.

HESSTON THE PRIME LINE

Lori Hamilton

LORI HAMILTON - QUEEN OF THE FURROW - HASTINGS 1986
Hastings County's Queen of the Furrow is 22 year old Lori Hamilton, daughter of Ron and Janet Hamilton, R.R. 5, Trenlon. Her experience as Eastern Ontario and Western Quebec Jersey Princess during 1980-81 and as Hastings County Dairy Princess from 1983 to 85 has given her experience which she capably uses to promote Hastings County International Plowing Match and Farm Machinery Show. Lori will be representing Hastings County in the Queen of the Furrow competition at the International Plowing Match and Farm Machinery Show this year.

Since graduating from Kemptville College of Agricultural Technology with a diploma in Agriculture, Lori became a partner in Lorisale Farms, her family's farm. She owns her own herd of Jersey cows and maintains a flock of sheep.

Ontario Plowman's Association continues to

In 1911 the OPA was formed to encourage, good tillage practices throughout the province. Since 1913 the International Plowing Match and Farm Machinery

Show has been hosted by various counties throughout Ontario.

The Plowing Match has always been one of the top agricultural trade shows on the continent and we want to keep it that way, says Edgar Wilson, President of the Ontario Plowmen's Association.

When we talked with visitors at the Match, Mr. Wilson goes on, we discovered, not surprisingly, that the Plowing Match means many things to many different people. To some it's an agricultural trade show where they can come and compare machinery and equipment all in one place. To others it's a big country fair and to still others, it's a celebration of the diversity of rural life in Ontario. And, of course, many people come especially to watch the plowing.

We are proud to be all of these things but we do have an overriding responsibility to our exhibitors and we must continue to attract a high percentage of farmers through our gate - farmers who are interested in buying. In past years the Ontario Ministry of Agriculture and Food has committed sizeable numbers of personnel and

resources to assist in organizing the Match. However, over the next five years, beginning in 1987, OMAF will provide the Ontario Plowmen's Association with grants in lieu of the staff

resources provided. There are 51 branches of the association and every branch has the chance to be hosting the IPM year the Plowing Match will be held in Stirling, Hastings County from September 12-14.

Ontario Queen of

Christine Seitz, the 1985-86 Ontario Queen of Agriculture, is actively promoting the International Plow Machinery Show across the province in September.

Christine was raised on a farm in Springford with her son, Paul. She is presently working in business at the Southwestern Business representatives of the local plowmen. Ontario will again compete at this year's show and gain the honour of 1986-87 Ontario Queen of Agriculture.

ARMED AND DANGEROUS

Big Cheeses

The Big Cheese of Hastings County, the 3,240 pound round, was made specially to commemorate the 1986 Hastings County International Plowing Match and Farm Machinery Show, 1986.

Big Cheese troubadours, Bill Sutherland,

right, and Jack Wilson, left, have been the human Big Cheeses publicizing the September 16 to 20, 1986, event to be held at the Village of Stirling, located 12 miles north of Belleville, Ontario.

Each day special

Cont'd from page 13 A

Gather at the extreme eastern part of the Match site for the demonstration.

The Queen of the Furrow Competition dates back to 1960.

Thursday celebrates this tradition as the 34 contestants deliver their speeches at Ken Mumby Square starting at 1:00 p.m. That evening a banquet is

held in their honour. But the suspense isn't over until Friday night when the 1987 Queen will be crowned.

The plowing contestants are not there just for the fun of it. On Friday, Awards Day, over \$35,000 worth of prizes and awards are presented at the Awards Banquet.

Everyone is welcome on Saturday as the Match celebrates Family Day. There is definitely something to spark the interest of Mom, Dad and the children. A parade to salute next year's hosts will cap off an exciting, family, fun day.

Junior Club Champion

Warkworth Golf Club held the annual Junior Championship on Saturday, August 30th, under ideal weather conditions. Although the scores were a little higher

than most of the competitors usually shoot, it came down to a very exciting playoff with Mike Oliver defeating Scott Herrington on the second extra hole. Both of these players are to be commended for their fine efforts.

Prizes were then awarded on a net basis with Mike Gilbert, Wayne Clarke, Scott Holmes and Brian Clarke finishing in that order.

A special thanks must go to Gord for looking after the Junior program for the season and also thanks to Warkworth Golf Club, The Executive and to Bob Holmes for the donation of prizes.

Play your part

Each year in Canada, about 70 young children are killed and 4000 are injured in car crashes.

The latest national survey showed that almost 80% of children under 5 are not being protected adequately in motor vehicles. Transport Canada sets tough safety

standards that manufacturers of infant carriers, child safety seats and booster seats must meet.

You can provide the best protection for your children by securing them in a properly installed seat, anchored to your vehicle by a top tether strap.

Buckle up. It's the thing to do.

Transport Canada Transports Canada

Consumer report

Consumers buy used stoves and appliances getting burned if aren't dealing with reputable companies.

We've been getting a lot of complaints lately from people who bought used fridges, stoves, washers and dryers that quickly broke down or did not work from the start, says Roberta Allen, consumer expert with the Ontario Ministry of Consumer and Commercial Relations (MCCR). "Often, their recourse is to file small claims court. Always remember when you buy second-hand merchandise you could be buying someone else's lemons. It's the risk you take."

If the Shoe Fits
By RALPH HERON,
Manager

LONG LAST

The longer a shoe lasts, the longer a shoe lasts. That might sound like double-talk to you, but it's true. A 'last' is a foot-shaped form on which shoes are constructed similar to the dress form you use to fit dresses in sewing. When the shoe is made it is allowed to stay on the form, or last, a certain length of time to shape and hold its shape. So we get the phrase, "The longer the shoe is lasted, the longer it lasts" and the better the shoe, provided of course that good materials and workmanship have been employed. This reminds us of the aging process used in good wines, steaks and cheeses. Since time is money, only the better shoes are lasted as much as, say 12 days. Get your long-lasting, long-lasting shoes here, now.

Short Course Championship for Cam

The Peterborough and District Short Course Championships will be held Sept. 20, 1987, sponsored by concerned businessmen. This golf tournament will be similar to the 'Catscan' Golf Day held on the Par-3 Golf Course in September, of '84 (raising over \$4500) for the Catscan Fund - with a few exceptions!!

Persons may enter as a single entry or as teams of four players. The fee, \$20 per player, will be fully tax deductible as the entire proceeds from the entry fee goes to Camp Kawartha.

Up to 144 entries will be accepted (including teams and individuals). Men,

women, seniors (over 55 years), juniors (under 18), ladies' teams and even mixed teams may enter.

Trophies for individual winners (not teams) will be provided by Gracie & Johnston.

Prizes will be awarded for the following categories:

1) Short Course Champion, Gracie and Johnston Insurance Brokers Ltd., trophy and mountain bike.

2) Net Champion, Gracie and Johnston Insurance Brokers Ltd., trophy and mountain bike.

3) Ladies' Champion, Swish Maintenance Ltd., trophy and award.

4) Senior Champion (over 55), C.A.A., Will Pearce, trophy and two round trip plane tickets to Florida.

5) Junior Champion, 16 years or under, the Ritz trophy and award.

6) Men's Team, sponsor to be announced.

7) Ladies Team, Bernard Cahill trophy and award.

8) Senior Team, Mike Kahn's Golf Shop and Rampant awards.

9) Junior Team, McDonald's Restaurant, 4 power built golf bags.

10) Mixed Team, Brookside I.G.A. awards (4 x \$50) shopping certificates.

point, Birdie points, Ace - 4 points, Bogie - Minus 1 point. If a player may not play fourth stroke!! player will begin a quota point but equal to 1/2 recognized hat to a maximum of 40 per team.

Obviously - competitors try to earn most points possible.

The overall champion will be competitor, man or woman, who has the most points without handicap.

Net winners with those with high combined points plus handicap allowance.

Up to 144 players will play an 18 (Par-3) qualifying round. The first 72 at 7 a.m., the 72 at 11 a.m. Of the 72 will qualify for championship round that begin at 3 (the final 72 include teams qualifying individuals).

Every finalist win a prize.

Playing formula... the quota point system... now very popular throughout the world in golf competitions.

Here's how it works:
Players earn points as follows: Par - 1

Camper Delight stove could be hazardous

The Ministry of Consumer and Commercial Relations today warned consumers not to use the CAMPER DELIGHT propane camp stove.

The stove could cause fires or produce dangerous quantities of carbon monoxide if used in tents or indoors.

The CAMPER DELIGHT stove is also sold as CombioQ. It is identified as: Camper Delight portable type camp stove model 202.

The stove had been certified by the Canadian Gas Association. However, certification was withdrawn after problems were discovered during a manufacturing plant inspection.

No accidents have

been reported as a result of the stove use.

The Ontario Fire Code forbids sale, lease or rental of an appliance which is not certified by an approved agency.

Anyone wishing further information should contact Canadian Gas Association 416-447-6465.

The nice thing about playing the quota system, is that nobody has to turn in an embarrassing score! The worst you can score on a hole is -1. You're not even allowed to play a fourth shot.

How to enter: Send your entry, team or individual, to Liftlock Golf and, or to the Lansdowne C.A.A. Travel Office, or mail it to 1523 Champlain Dr., K9L 1N3.

The final day for entry is Sept. 16. Remember only the first 144 teams will be accepted.

For further information call Mike Kahn or Guy at 743-1792.

Controlled deer hunting

The Ministry of Natural Resources announced September 2, that there will be a controlled hunt for deer in the Peterborough Crown Game Preserve November 3-15, 1986.

The hunt will be limited to a total of 250 hunters in each

week of the two-week season. No dogs are permitted in the area and only shotguns may be used. Hunters will be required to submit a report of their hunt to the Ministry's Bancroft office.

The controls established in last year's

hunt will apply, including the need for hunters to check into, and out of the area, to use designated parking areas, and to respect no hunting signs marking the buffer around Jack Lake, and other lands closed to hunting.

Controlled hunt

application forms may be obtained by contacting: Bancroft District Office, Ministry of Natural Resources, Box 500, Highway 28, Bancroft, Ontario, K0L 1C0, 613-332-3940; or Lindsay District Office, Ministry of Natural

Resources, 322 Kent Street West, Lindsay, Ontario, K9V 4T7, 705-324-6121.

The deadline for applications is October 3, 1986.

HOCKEY TRYOUTS

M.T.M. Hurricanes Jr. "C" Hockey Club invites all junior age hockey players to attend their fall camps on:

September 16	8 p.m. - 9:30 p.m.
September 18	8 p.m. - 9:30 p.m.
In the Frankford Arena	
September 23	7 p.m. - 9 p.m.
At the Quinte Sports Centre	
September 25	7 p.m. - 9 p.m.
At the Dick Ellis Arena	
September 30	8 p.m. - 10 p.m.
In the Frankford Arena	

For more information call Paul Downey

473-2970

FLIRTING WITH SUCCESS - Fifi the Flirt was flirting with success in the first inning of last week's game in Campbellford where the California Cuties took on an all-star team from Campbellford. Fifi went on to score, but that was the only run the Cuties got as the pitching of Jim Burkitt and the homers by Larry Chrysler and Tim Blake lead the All-Stars to a 2-1 win.

Hurricanes Junior 'C' hockey tryouts

Its that time again. Downey and coach Jim Peeling have already spent a number of evenings talking to local hockey players about the upcoming season.

Paul says that the club has sent out some 50 invitations to their fall try-out camps and hopes to

have a turnout of about 65 players.

The Hurricanes will be playing in the Central Ontario Jr. "C" league during the coming season. 34 games are scheduled for the 12 teams in this league with Madoc players opening game in Wellington on Sunday October 12th.

Players for the

team can be drawn from Hastings, Northumberland and Peterborough Counties and the executive is hoping to be able to field a competitive team from this area.

The first try-outs to be held September 16th and 18th from 8:00 to 9:30 p.m. in the Frankford Arena.

CARD THANKS

The family of the late Ray Williams wish to express their thanks and appreciation to all their friends, neighbours and relatives in our time of sorrow. A special thanks to the nurses and Dr. A. Kaufmann of the Campbell Memorial Hospital.

I WOULD like to express my sincere thanks to my family, relatives, friends and neighbours for cards, flowers, gifts, visits and thoughtfulness during my stay in Civic Hospital. I am forever indebted to all those who provided love, sympathy and support to us in our bereavement. A special thanks to Rev. Henry McConnell Funeral Home, The Royal Canadian Legion, The Ladies Auxiliary and the doctors and nurses at the Home Unit and Intensive Care at Kingston General Hospital. Ruby Brown and family.

To everyone who remembered me in so many ways while I was in Belleville General and the Home Unit at Ottawa Civic Hospital, a sincere "Thank you" Vera Hill.

We wish to thank all those wonderful friends, neighbours and relatives for their gifts of flowers and donations to charities, also who provided love, sympathy and support to us in our bereavement. A special thanks to Rev. Henry McConnell Funeral Home, The Royal Canadian Legion, The Ladies Auxiliary and the doctors and nurses at the Home Unit and Intensive Care at Kingston General Hospital. Ruby Brown and family.

CARD OF THANKS

I WOULD like to express my sincere thanks to my friends and neighbours at West Huntingford for the generous money tree presented to me on my departure from the community to live in Iron. Your kindness will always be remembered. Florence Farney.

DEATH NOTICE

PERKINS - Frank, at Windsor, Quebec, on Tuesday, August 26, 1986. Benjamin Franklin Harley Perkins in his 78th year. Beloved husband of Ruby Perkins (Bestward). Sadly missed by six children, two brothers, two sisters, four grandchildren and many nieces and nephews. Funeral and committal service was held on Friday, August 29th from May Funeral Home in Markdale. Interment in Markdale Cemetery.

"HE THROWS PRETTY HARD" - Fifi the Flirt had it right when he said to his teammates after his first at bat last week, "He throws pretty hard." In fact, he threw hard enough to limit the California Cuties, with a record of 110 wins to six losses before the game, to one run. While the game was supposed to be in fun, the Cuties were unhappy about the outcome of the serious innings although they got a measure of revenge with a disguised grapefruit. Oh well, they'll live to play another day.

SERVICES

PROFESSIONAL painting & decorating & paper hanging. Reasonable rates. Phone 613-472-2876.

MEMORIALS

BLAIR Percy, passed away August 31, 1985. Beautiful memories are treasured ever. Of happy days when we were together. Sadly missed by sister Elizabeth.

HILL - In loving memory of a dear wife, mother and grandmother. Dora, who passed away September 13, 1984. A million times we needed you. A river of tears we cried. If love could have saved you, dear, you never would have died. If this world was ours to give, we'd give it, yes and more. Just to see your loving face. Come smiling through the door. Always missed, never forgotten. Percy, David, Ann, Boyd, Philip, Nancy and families.

HILL - In loving memory of a dear friend. Dora, who passed away on September 13, 1984. A rose still grows beyond the wall. Scattering fragrance far and wide. Just as it did on the other side. Ever remembered by Bob and Joyce.

MCARTHUR - In loving memory of a dear friend. Morley, who passed away September 9, 1985. Gone are the days we used to share. But in our hearts, you are always there. The gates of memory will never close. We miss you more than anyone knows. With tender love and deep regrets. Those who loved you will never forget. Sadly missed by mother and brothers and family.

Veterinarian Keith Harrison inoculates the first of seven cats from one family at the Rabies Clinic last Saturday.

Rabies Clinic

Saturday the 13th was Rabies Clinic day in Hastings County and a very busy day for veterinarians.

Dr. Keith Harrison of Roslin was no exception. Cars lined

Highway 37 for almost a half mile while pet owners lined up for about 45 minutes for their pet to get a quick jab of a needle.

Doc. Harrison had three members of his

family filling out forms and registering family names and pet names while he gave the shots. He had expected a fairly good turnout, but thought perhaps it might have been

spread out over the four hours of the clinic. "They were lining up at nine this morning," said Harrison. "So I started the clinic earlier than ten." By about 10:45 he had

Completed question-

naires are needed to determine local needs.

Doug Parks, Village Clerk, reports that there have been a number of people expressing concern over recording details of income and assets on the form. He stresses that all of this information is kept strictly confidential by the Ministry and that none of the informa-

tion is released back to the village.

"In fact," he says, "we don't even know who received the questionnaire. The people who received them were chosen from the Ministry's records. We stuffed plain envelopes with our letter of explanation and returned them to the Ministry. They took care of the addressing and

Madoc Court

Reeve Tom Deline reports that he has had a meeting with Mr. Peter McDonald of the Leasehold Services of the Ministry of the Attorney General.

The result of the discussion boils down to the fact that the Ministry is in preliminary negotiations for a per diem lease of existing court facilities. These negotiations are for a reduced court service of 58 days compared with the 78

days contracted for during this year. The reason cited for the cutback is inadequate facilities at the court house.

Reeve Deline is incensed over this arbitrary decision to curtail service. "Particularly," he says "when we have offered to make facilities available that would meet the needs of the Judge," he went on. "We support the right of the Judge to have proper and adequate facilities in

which to dispense justice. We have offered to provide the facilities, but no one has come to us to tell us exactly what is needed. No one has consulted with us on the effects of curtailing this service."

He said, in essence, he denounces this unilateral move to reduce services. "We were and are prepared to provide adequate services. This situation is not resolved by a long shot."

Seniors Housing

A disappointing return rate of the questionnaires sent out by the Ministry of Housing has prompted an extension of the deadline for return to October 17th, 1986.

The Ministry has determined that there is a need for more housing for Seniors, some of which must be geared to income. Completed question-

naires are needed to determine local needs.

Doug Parks, Village Clerk, reports that there have been a number of people expressing concern over recording details of income and assets on the form. He stresses that all of this information is kept strictly confidential by the Ministry and that none of the informa-

tion is released back to the village.

Local Authors

William and Jeanette Raynsford of Madoc in their just published book.

Jeanette and William Raynsford.

Book details Soldiers' Aid Commission

In the aftermath of any war, there is a segment of the popu-

lation that is left in particular hardship.

William and Jeanette Raynsford of Madoc in their just published book.

Silent Casualties, give us an intimate peek into the conditions experienced by widows, disabled soldiers and particularly children who were made permanent wards of the Soldiers' Aid Commission after the First World War.

The Soldiers' Aid Commission was established in Ontario in 1915 in order to assist soldiers and help them to return to civilian life, but it was soon found that their families were also in need of assistance, particularly those families who could not support their children. War wounds, illness, lack of money due to the inability to work saw many children taken into the care of the Soldiers' Aid Commission.

William Raynsford, himself a ward of the S.A.C., says "In those days, there were no social

aid programs as we know them to-day. A widow would receive a pension of 30 cents a day with an additional 10 cents a day for each child up to a maximum of two."

He has some fond memories of those days which lasted until the mid-thirties when the S.A.C. was disbanded. Children in care at that time were then located on

farms throughout the province. Some ran away and were strapped on their bare backs when caught but others like Raynsford, came to enjoy farm life and stayed on the land.

Mr. and Mrs. Raynsford felt that this was a little known facet of Canadian history that should be recorded and so, with help from various agen-

cies in the form of grants and access to records, they started their book in 1984.

Not only does this book highlight a part of our history, it also gives added insight into the sociological impact of war.

The book will be selling for around \$10 and can be ordered from Merribrave Publishing, R.R.4, Madoc.

Mr. Glen Nickle

The community was shocked and saddened to learn of the sudden passing of one of its leading citizens, Mr. Glen Nickle.

He is remembered as a forthright businessman who, behind the mask of a sometimes gruff exterior, had a heart of gold.

Glen Nickle was a man of deeds who took action when he perceived a need. He did not seek publicity for his many unselfish acts, quietly contributing to the welfare of the community.

As witness to the measure of esteem in which he was held, is the number of mour-

ners who paid their last respects as he lay at rest and at the church service.

Tales of his caring and sharing, his involvement in his community over so many years will be his legacy to numberless friends and acquaintances.

He will be missed.

Letters to the Editor

Volunteers

Dear Sir,

Volunteerism in Hastings County contributes huge amounts of free labour to all aspects of our local economy, and we as a volunteer organization would like to recognize the incredible amount of time and dedication committed to the International Plowing Match by its volunteer workers. Sincerely,
The Board of Directors of the Hastings and Big Sisters of Centre Hastings.

ATTENTION ALL
PLOUGHING MATCH
VOLUNTEERS
Big Brothers and

Big Sisters of Centre Hastings would like to congratulate all the people who have been doing so much to organize this huge event. Your time and effort for such a long time has not gone unnoticed by us.

We are a volunteer organization as well, and we know very well how much dedication is required to complete a project. A mammoth undertaking like the International Plowing Match, taking several years to bring to completion, is something of which you can be very proud.

The different programs organized by so many different committees

astounding. The enormous amount of expertise and resources that have come together as a complete team is incredible.

When you have all had a well deserved rest, and are wondering what your next project might be, perhaps you would think of giving us a hand.

Congratulations to all of you, and thank you from this small part of Centre Hastings. We will enjoy the event along with all the others who attend.

The Board of Directors of Big Brothers and Big Sisters of Centre Hastings.

Vandalism

Dear Editor,

Vandalism destroys millions of dollars in Canada each year. Vandalism is a product of society and the school systems. Our school system itself suffers thousands of dollars due to vandalism. If the student body were required to equal the acts of vandalism of this would help eliminate the problem as the students would discipline their own members.

One reason that our municipal and educational costs have increased is because of the added costs of vandalism which must be paid by someone which

means you and me.

Vandalism is the result of the lack of discipline in the home, in the school, and in the community. Thus children learn that they can do as they like with other people's property.

Vandalism is a small war against property just as crime is a small war against society. In every country there are builders and there are destroyers. Vandalism is the destroyers of society and unless there are more builders than destroyers the society in which we live will collapse.

It takes the cooperative effort of persons of good will

working together to build a good society and unless the good people are prepared to do something about this the forces of evil will take over.

If you want your society to prosper, if you want to reduce your taxes, first start in your own community by stamping out vandalism and this means the home, the school and the community must cooperate together to do this. The police do what they can, but they are powerless to act unless the other people in a community do their job first. Let the reductions of vandalism begin with you.

Roy Cadwell

Historical Foundation

By Alan Danford
A meeting will be held on Wednesday September 24th to reactivate the Madoc Historical Foundation. The Foundation was established in the 1970's and finally gained full legal and corporate status as a registered charity in 1981. After several very active years, declining interest and changing circumstances during the last two years led to regular meetings not being dropped.

purpose of the Foundation as stated in its charter is "For the historical preservation of Madoc's culture, architecture, written archives and events of significance." Madoc has a unique and fascinating history and an abundant legacy of beautiful Victorian and Edwardian architecture. These are assets that other municipalities have capitalized on, for example Niagara on the Lake, and Perth.

communities have made use of their historical features to make their towns more attractive and prosperous places to live.

All residents of Madoc area are asked to show their support of Madoc's heritage by attending this meeting to reactivate the Madoc Historical Foundation. The meeting will be held at the home of Alan and Sharon Danford, 187 Durham St. S., at 7:30 Wednesday, September 24th.

Madoc and District

Figure Skating Registrations

Registration for the upcoming Figure Skating season took place at the arena last Saturday and the number of skaters registered seem to be on a par with last years total.

President of the Madoc and District Figure Skating Club, Karen Bailey, was on hand with Test Chairman Elaine Johnston and daughter Jennifer (a senior skater) to make sure that registration went smoothly.

A full program is planned again this year, for all levels and age groups with three professionals, Nancy Cuneyworth, Janice Maher, and Gail Hyndman providing the instruction for both group and private lessons.

Karen Bailey and Elaine Johnston are pleased with the

Jennifer Johnston, Karen Bailey and Elaine Johnston

registration so far and point out that late registrations will be accepted up to October 27th.

They and the other

members of the executive, Teresa Newland, treasurer, Kathy Althoff, secretary, Leslie Chapman, CanSkate

Madoc and District

Minor Hockey Registrations

Lawrence Kehoe, President of the Madoc and District Minor Hockey Association reported that registrations were about the same as last year.

In the Beginner, House League and OHMA rep team he expects there will be between 110 and 120 registrants.

Grace Tough, Secretary Treasurer was busy filling out forms for Coach Coordinator Doug Phillips who came in just under the closing deadline.

Bill Sager as Vice President and Noreen Bailey as Referee in chief make up the rest of the executive for this

Grace Tough and Lawrence Kehoe

season. They are looking forward to the start of the season, mid October or thereabout.

outs and will, no doubt, be looking for those championship performances.

If you missed this

Seniors Housing

Cont'd from page 1
number of units to be rented at market mailing.

Almost four hundred of these questionnaires were sent out to local addresses and if Madoc is to be considered for additional

housing for Seniors, it is important that they be filled out and returned.

The financial information asked for is needed to determine the number of units that will be geared to

income and the rates. It is not used for any other purpose.

If you need help or explanations regarding these questionnaires, call Doug parks at the Village Office during normal business hours.

M.R.C.A.

Tree Planting Program

The Moira River Conservation Authority is repeating the tree planting program ran last year.

Landowners within the water shed of MOIRA and SKOOTAMATTA rivers may qualify for program which is run in conjunction with the Ministry of Natural Resources.

This program is geared to landowners of 5 to 10 acres, of which one acre must be available for planting. Based on

normal seedling planting, one acre would need about 900 seedlings at an estimated maximum cost of 10 cents per tree (costs might be lower).

MRCA will purchase the seedlings from MNR, plant them, and spray them from time to time. The landowners, amongst other things, must make a commitment to not cut the trees for at least fifteen years.

Keith Taylor,

MRCA resources technician, says that the authority will accept applications until the end of this month, unless they fill their quota before that.

Upon receipt of the application a resource technician will inspect the proposed planting site for suitability in terms of soil and drainage conditions as well as accessibility.

If interested contact the MRCA at 958-3434.

Padre John Hall in as Padre of Branch was formally sworn 363 of the Royal

Canadian Legion at the Madoc Branch's September meeting. Padre Hall replaces retiring Reverend Gordon Adams who will be greatly missed by one and all. Padre Hall also a councillor of the village of Madoc is best known for his work organizing the Block Parent Program in the Center Hastings area. He is now busy organizing the Branch's Annual Church Parade to take place the first day of Legion Week Sunday September 21 at Trinity United Church.

Gardiner Stevenson is congratulated by Joe Cembal as being the Most Honest Golfer at the recent Cembal Publications Invitational Golf Tournament. Despite the damp weather at the Warkworth Golf Course, participants report an enjoyable day.

M.N.R.

Fisheries Management Plan

Looking ahead to the year 2000, the Ministry of Natural Resources developed the Tweed District Fisheries Management Plan. An ambitious program designed to ensure adequate sport fishing opportunities for the angling public.

The Draft Plan, a twenty five page document, was presented at a public meeting held in Cloyne last Friday evening and is based on regular studies done by the MNR and the analysis and evaluation of comments and questionnaires resulting from a public meeting held last January.

Sportfishing plays

an important role in attracting tourists and thus brings economic benefits by way of employment and purchase of goods and services. It is estimated that over one million hours of fishing effort occur each year in the area covered by the Tweed District of the MNR, resulting in an estimated catch of more than 350,000 lbs of fish.

The goal of the draft plan is to increase these levels by 15% by the year 2000. To achieve this level, eight major problems have to be tackled. For a start, a number of waters are currently underfished because they

are difficult to reach. New roads or approaches will have to be built. Changes in regulations have to be made to reflect the population of various species. In some cases the catch limit will be raised. Fish habitat will be studied and plans formulated to maintain, protect, improve or enlarge these areas. Stocking and assessment programs will be put into place with attention given to the effect of introducing hatchery fish to the gene strain on natural habitat fish. More stringent enforcement of regulations is planned, especially in regard to poaching during spawning

runs and degradation of spawning beds by fluctuating water levels or pollution.

A greater level of public awareness is being planned for and will likely take the form of more public meetings and talks and a greater dissemination of literature is planned. Public input will be sought at various times on such things as total catch, species caught, where and when, and conditions of the waters fished. Incentive programs are tentatively planned, whereby a crest or some such device will be awarded to anglers providing information.

There are more than 386,000 acres of fishing waters in the district and MNR studies indicate that, with inaccessible waters being opened up and a sound management plan, there will be adequate stocks of fish to meet the increased demand of the year 2000.

Kerry Coleman of the Fisheries Branch of the MNR that upon public acceptance, Ministry approvals will be fairly rapid and the implementation of the plan could take place by the New Year.

COMMERCIAL BAIT FISHERMEN

Commercial Bait

Fishermen are recognized as significant users of the fisheries resource in the Tweed District of the Ministry of Natural Resources and are included in the proposed Fisheries Management Plan.

At present an estimated 115,800 doz. baitfish are caught and sold each year and by the year 2000 the figure is expected to rise to over 133,000 dozen.

In order to meet this target figure, strategies and plans will be developed to improve the baitfish resource. Tighter controls are expected

New and more specific criteria will be established to govern the allotment of baitfish blocks and encouragement will be given to the establishment of a council of baitfish dealers and fishermen. Such a council could identify and discuss ways and means of overcoming problems and establish a set of standards to be used throughout the district.

NOTICE TO CREDITORS AND OTHERS

CREDITORS and others having claims against the estate of CHARLES GORDON WALKER, late of the Township of Madoc, in the County of Hastings, who died at the City of Belleville, in the County of Hastings on the 11th day of August, 1986 are notified to send to the undersigned solicitor for the Executors, Carl Blakely and Pat Blakely, before the 9th day of October, 1986, particulars of their claim in writing after which last date he will distribute the estate amongst the persons of which he then had notice and he shall not be liable for any part of the estate so distributed to any person of whose claim he had no notice at the time of such distribution.

DATED at Madoc, Ontario this 4th day of September, 1986.

JOHN W. BAILEY,
Barreter and Solicitor,
P.O. Box 670,
Madoc, Ontario,
K0K 2K0
Solicitor for the Executors,
Carl Blakely and Pat Blakely

Rabies Clinic

Owners wait patiently in line to get their pets inoculated.

Contin'd from page 1 used 200 needles and the line-up still had about sixty people waiting. The line seemed never ending. As one person left another

joined on the end of the line.

The phone kept ringing with people wanting to know the best time to bring their pet in, the pets

big and small, cats and dogs of all colours and breeds were sat on the operating table, a quick jab and away they went.

Many ladies, young

and old, turned their face and shut their eyes as he approached with the needle and seemed quite surprised when told it was all over. A couple stood there in bewilderment as if there should have been more fuss and bother when their pets got their shot.

There is another clinic scheduled for next Saturday and although he doesn't think it will be as busy, Doc Harrison is looking for ways to speed up the paperwork and so cut down on waiting time. One

gentleman had seven cats to be vaccinated and while it doesn't take a great deal of time to administer the needles there is a hold up while seven individual sets of papers are filled out and recorded.

If you want to take advantage of these low cost clinics, expect to wait in line. However, if pressed for time, it might be worthwhile to pay an extra five dollars or so and set up an appointment for a more convenient time.

Whatever you do, don't wait. The number of rabid animals is expected to increase this fall so protect your pet and yourself and family.

Stirling Council Report

Mrs. Jane Nicol will be forced to close her store, the Village Shoppe, at 24 Front Street West, unless she can locate at least three parking spaces nearby to lease on a long-term basis.

Her landlord, Pethacon Holdings, needs the parking to meet Ontario Municipal Board regulations for its apartment project upstairs in Mrs. Nicol's

building.

Part of the apartment development plan calls for demolition of the back of her store for parking area. In the past year, Mrs. Nicol undertook major renovations to her leased premises. However, since she is a tenant, she was not invited to the Ontario Municipal Board hearing which decided the fate of her shop.

Her only option now is to find the three to five parking spots elsewhere to replace those shown in the project plan on which her bridal salon presently stands. Then she can apply, on behalf of her landlord, to the town for a minor variance to allow her store to remain standing.

"The bridal salon has been a vital business in Stirling for years," Mrs. Nicol said in her appeal to council. She expressed concern that no private party would want to tie up land for the required 20 years just for leased parking spots. Mayor Wieger DeJong assured her council

will consider what can be done to help her including looking into leasing municipal parking space.

October 20th to 26th is Library Week in Stirling. Librarian Peggy Faulkner and Library Board Chairman Jack Doran extended an invitation to council members to come to a reception at the Oshawa Public Library on October 24th, given by the Ontario Library Service.

The gathering, highlighted by a wine and cheese party, will bring together municipal officials, MPPs and representatives from the eight branches of the Library Service.

Also for Library Week, Mrs. Faulkner said, "We have a good many events planned in Stirling."

Paul Ruttan petitioned council to help him out of a costly situation involving a misinterpretation of his building permit. He has completed the excavation and built the basement wall for a planned addition to his home. The new room, however, sits only 27 feet back from the road and the bylaw demands a 39 foot setback.

The Rutrans have applied for a minor variance, but even if they are successful in getting it, the procedure takes 60 days during which time they can't go ahead with building. In that they have \$4,000 already invested, they want council to

Country Pride, a group of talented local men, proved to be a real crowd pleaser when they

performed at the Marmora Fair and are booked to perform at the Madoc Fair.

The B.M.X. stunt riders are back again this year with their Senior Team. If you were thrilled with the

Annual harvest fundraiser

The Frank Howard Orchestra will be providing the music again this year and reports from those

attending last years Ball indicate a very enjoyable evening. Support this Harvest Ball and

enjoy yourselves, knowing that YOU are helping to preserve a part of our local history for future generations.

Mark the 25th of October on your calendar for a pleasant evening of dancing and enjoyment.

It's the night of the Annual Harvest Ball sponsored by the Board of Management of O'Hara Mill.

They are on the threshold of a course of action that will see the repair, restoration and expansion of this historic site.

A formalized plan has been drawn up by a consultant and is to be presented to the Ontario Government.

Government approval is expected and this will open the door to some grants from the Ministry of Citizenship and Culture under the museums, heritage and historical programs. The Board however, still needs to raise money from other sources. This Harvest Ball is one of them.

THE HASTINGS COUNTY BOARD OF EDUCATION

Applications are invited for the position of **FULL TIME COURSE CONDUCTOR** for the Centre Hastings Adult Day School (Basic Literacy and Numeracy program).

The program is designed to provide academic upgrading for adults; to provide experiences which will enable greater participation in all aspects of community life and provide successful learning experiences which will lead to a positive feeling towards education.

The applicant should possess job-related experience in adult education and the social service field. Although a teaching certificate is not essential, previous experience in informal instruction will be an asset.

Persons interested in this position should direct a written application no later than September 26, 1986, to:

Huntingdon Council High

The regular meeting of the Council of the Township of Huntingdon was held at the Township Hall in Ivanhoe on Monday, August 25, 1986, at 7:30 p.m. Present were Deputy-Reeve Ketcheson, Councillors Pollock, Allen and Yarrow, and Clerk-Treasurer Jones.

Jack Newman attended the council meeting to discuss the flooding problem along the 4th Concession in the area of his property, Pt. Lot 20. It was noted that \$2,000 had been budgeted this year

for culverts and ditching in this area.

Council decided that the Road Superintendent be authorized to proceed with culverts and ditching in the area of Lot 20, Concession 4.

Barry Parsons and Marvin Reide attended the council meeting to discuss the wood being cut on the unopened road allowance between Concessions 6 and 7. Apparently a road-way is being cleared to gain access to Part of Lot 15, Concession 7. In 1985, Mr. Reide cleared a roadway across Lot 13, and Pt. Lot 14 to gain access to his property Lot 14, Concession 7. The Township obtained some of the cedar posts from Mr. Reide as the municipality reserves the right of first claim to timber cut.

Mr. Parsons was advised that council members would go down and view the area.

Council was provided with figures from Aluminum Star to provide Township of Huntingdon lettering for the new addition.

Moved by Ken Yarrow, Seconded by Bill Allen, "That the office staff be requested to obtain two more quotes on lettering for the new

addition." Carried.

Sharon's Banquets 'N Gifts provided a quote to supply artificial plants for the new planter in the Council Chambers.

Moved by Bill Allen, Seconded by Ken Yarrow, "That Audrey's Flowers & Gifts be contacted to obtain a quote on supplying artificial plants." Carried.

Council was presented with a report of Livestock Valuer, Burton Calvert. An award of \$65 was made to Melanie's Place for one lamb killed by dogs.

Moved by Ted Pollock, Seconded by Ken Yarrow, "That Melanie's Place be paid \$65 for one lamb killed by dogs and Mr. Calvert \$25 for one valuation." Carried.

Council was presented with Severance Application B265/86 - D. Schulz, Part Lot 3, Concession 2.

Moved by Ted Pollock, Seconded by Bill Allen, "That council recommend consent be granted to Severance Application B265/86 - D. Schulz, and the \$100 lot levy be collected." Carried.

Correspondence was received from MTC regarding the salt contamination of

the Township well. They advise that the recovery rate of the well will not support a reverse osmosis system. They have also been unsuccessful.

Huntingdon Council Highlights

Cont'd from page 6
Ken Yarrow, "That correspondence be forwarded to MTC with a request for a cash settlement in the amount of \$1,215, being the cost of installing a reverse osmosis system, as the municipality still has to find an alternate water supply." Carried.

Correspondence was received from the Lower Trent Region and Moira River Conservation Authorities requesting Council's support on the brief submitted to the Minister of Natural Resources on the Reform, Responsibilities and Funding of Ontario Conservation Authorities.

Moved by Ken Yarrow, Seconded by Bill Allen, "That advertisements be placed in the local papers advising people to contact the Township Building Inspector before

initiating any new construction and also make reference to the applicable penalties for contravention of the By-law." Carried.

Correspondence was received from

Kathleen Lavigne advising that her husband has won his court case but the decision has been appealed by the unions. Mrs. Lavigne requests financial support to fight the

appeal.
Moved by Ken Yarrow, Seconded by Bill Allen, "That correspondence from Mrs. Lavigne be received and filed." Carried.

Moved by Ken

Yarrow, Seconded by Bill Allen, "That the office staff confirm how many passes are available through the County and purchase the necessary additional passes to man the booth." Carried.

CHARLES RAYMOND BROWN

Funeral was held
on Aug. 13th, 1986, for
Mr. Charles
Raymond Brown.

who passed away on
Aug. 10 at the Kings-
ton General Hospital.

Brown was a life-
long resident and was
ill for about the last
year-and-a-half.

Spent the last seven
months in Kingston.
He was 73 years old.

Born the son of
Martha Jane Horton
and John Wesley
Brown, Mr. Brown
was a retired
businessman and a
member of the Loyal
Orange Lodge, past
president of the
Royal Canadian
Legion, Branch 237,
was with the Moira
River Conservation
Authority for 13
years and was on the
Deloro Village
council.

Mr. Brown is
survived by his wife
Ruby Grace (Speck),
sons, Charles, of
Indian River;
Winston, of Gana-
noque; Jack and
Terry, both of
Marmora, 11 grand-
children, five great-
grandchildren; sister
Hazel of Escondido,
California and is
predeceased by
sister Mildred and
brothers Clifford and
Harry.

The funeral was
conducted for the St.
Paul's Anglican
Church, with inter-
ment at the Bethel
Cemetery, Reverend
Stan Riley officiat-

ing. Pall-
bearers
were
Legion
members:
Walter
Acher,
George
Osborne,
William
Deering,
Harry
Horne,
Joseph
Dubeau and William
Bailey.

The Royal Cana-
dian Legion also held
a service at the
McCon-
nell's Funeral
Home.

EDITORS NOTE:
This obituary is being
rewritten because
there were a number
of errors in the origi-
nal copy. I would like
to apologize to Mrs.
Brown and family for
the mistakes.

ROBERT ARTHUR CARMAN

Mr. Robert Arthur
Carman, of Marmo-
ra, passed away at
the Belleville Gener-
al Hospital on Aug.
25, after a short
illness.

Mr. Carman, 89,
was born and

educated in Ma-
Township, sp
most of his life
Marmora and
Township where
earned his living
farmer. He was
1, attended the
veteran of World
United Chu-
acting as chu-
treasurer and was
the last 13 years
Marmora.

Mr. Carman
survived by his
Cora Vansickle
brothers, Ross
Marmora and
Township and
of Madoc Town-
He is predecease
Bernard, Eva
Delbert of Madoc,

Barn open every Monday until 10 p.m. Sale every Tuesday at 12 Noon.

Stirling Council

Cont'd from page 4
let them carry on and hope to have the room completed by Christmas. "We made a mistake based on a misinterpretation of facts," said Mr. Rutman. "It was all done in good faith."

The combination of errors, included the builder and the building inspector's missing each other at several scheduled appointments and the lack of a clear survey showing the existing house. Clerk-treasurer Murray Rodgers commented, "The onus is on the builder and owner to be sure the inspection is done and approved." Council felt it had no authority to do anything for the Rutmans at this point and left the decision to the Committee of Adjustment. The Rutmans can appear before the Committee on October 8th.

The growth rate of the village of Stirling and such phenomena as its 31 backyard swimming pools have raised questions as to who uses town water. Consequently, the Stirling Public Utilities Commission has declared that water

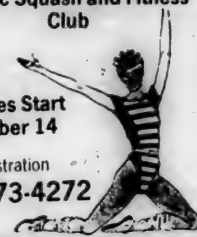

meters will be installed on all new construction. The meters are to be purchased at the town offices for \$125 each. Their use in billing will be phased in at a later date. As well, the metering will eventually make possible the fixing of sewer rates according to water use.

Happy Wanderers

BY VIOLA WANNAMAKER
The Happy Wanderers Senior Citizens Club 473 held their first meeting of the fall on September 10th, at 1:30, in the church hall. There were 50 members present. Everyone seemed pleased to be together again.

Laura Hannah presided in place of Elsie Trembley, our new president, who was absent. The meeting opened with

"O'Canada" with John Muir at the piano, followed by prayer.

Laura read a poem, "How To Grow Old". Bernice Clarke read a poem, "What Are You?", then read the minutes of the June meeting.

Maude Deline thanked the members who manned the Information Booth.

A meeting was held Wednesday evening concerning Extra

Housing, held in the Town Hall.

Heleen gave a report on the convention held at Oshawa. There were 130 resolutions made. Also announced, was "Meals on Wheels" for seniors; an elevator should be in two-storey apartments for the elders; and a saying, when you lose your "twinkle", you have sure lost a lot. It was a very interesting report.

Mr Wilfred Fore-

stell gave the bus report. The senior citizens enjoyed some very interesting trips through the summer.

A few minutes' silence was given for Bertha Ellis, whose son Glenn passed away.

Wilfred gave a talk on the International Plowing Match, 80 acres of a tented city. A bus will leave the apartments at 9:45, and 10 o'clock from the church. It will be

leaving to come home at 4:30. The cost will be \$3 for the bus and \$5 to enter the grounds on September 16th.

The program was led by Gladys Muir. Sadie Holmes read "Ten Commandments for Seniors Travelling"; also "My Garden is for Giving". Gladys and John Muir demonstrated the playing of a little keyboard organ. John then played "Me and My Girl". The door prize was won by Eva Empey.

The meeting closed with "God Save The Queen". Lunch was served and a social half-hour was enjoyed by all.

Queensboro News

By Goldie Holmes
Mr. and Mrs. John Thompson spent several days in Toronto last week with relatives.

Mr. and Mrs. Dalton Holmes of Trenton visited Mrs. Arthur Holmes on Sunday.

A number from here attended the Harvest Supper on Wednesday evening in Cooper Community Hall.

Mrs. Grace O'Rourke is visiting relatives in Alberta for 2 weeks.

Mr. and Mrs. Alex Clarke spent the weekend in Newburgh with Mr. and Mrs. Doug Walker and family during this time a birthday party was held for Miss Britany Gibson of Belleville. (Her 1st birthday).

Goldie Holmes spent Tuesday evening with Mrs. Evelyn Rollins in Madoc.

Mrs. Bernice Clarke visited Mr. and Mrs. Herb Brady on Tuesday in Cooper.

Traffic Accident

On Monday the 25th of August, 1986 at approximately 5:35 p.m. a 1979 Ford operated by Mary Reeve, of Toronto was westbound on the Quin-mo-lac Road. She approached a right hand curve, crossed centre of road and started to skid. Her vehicle entered the north ditch, subsequently re-crossed the roadway and rolled over in the south ditch sustaining approximately \$3,000.00 in damage. Reeves received minimal injuries. She was charged with "Careless Driving". Constable G.K. Leaver investigated.

O.P.P. Report

During the period of September 5-11, 1986, officers at the Madoc Detachment of the Ontario Provincial Police investigated 51 general occurrences and seven traffic accidents.

GENERAL OCCURRENCES:

On Saturday, Sept. 6, 1986, Robert Maurer, owner of the Marmora Feed Mill, reported the windshields in three trucks broken overnight. Damage to the three vehicles was estimated at \$750.

On Thursday, Sept. 11, 1986, at 2:55 p.m., a break and enter in progress was reported at the canteen at the Madoc Ball Park. Officers from Madoc Detachment responded to the call and three young offenders were arrested inside the canteen. This break and enter was witnessed by two citizens of Madoc, who trapped the three young offenders inside the canteen while waiting for the arrival of the police. The Madoc Detachment of the Ontario Provincial Police would like to thank these two citizens for their assistance in this case.

TRAFFIC ACCIDENTS:

On Saturday, Sept. 6, 1986, at approximately 7:55 a.m., Bryan J. Gribbett, 21, of RR 2, Marmora, Ontario, was driving his car east on a Marmora Township Road and was approaching the north Marmora Road. Garnet Beamish, 53, of RR 1, Marmora, Ontario, was travelling south on the North Marmora Road and made a wide turn onto the sideroad and struck the Gribbett vehicle in the left front corner. Damage to Gribbett's 1985 Dodge was estimated at \$1500, and to Beamish's 1983 Dodge pickup, \$1500. Beamish has been charged with making an improper right turn.

On Monday, Sept. 8, 1986, at approximately 4:50 p.m., Robert R. Caverly, 27, of RR 1, Marmora, Ontario, was driving his motorcycle south on Highway 14, approximately four km. south of Marmora Village. Caverly left the roadway going onto the west shoulder. The motorcycle went into a wobble and flipped over several times. Caverly received major injuries and was taken to Kingston General Hospital. Damage to Caverly's

1980 Suzuki motorcycle was estimated at \$3500. Constable D.E. Creelman is continuing his investigation.

CRIME OF THE WEEK

Sometime between the hours of 8 p.m., September 1, 1986, and 11 a.m., September 2, 1986, unknown persons attended Kanata Beach Resort in Hungerford Township. They used bolt cutters to cut the safety chains of five outboard motors and placed them in one of the victims' boats and moved them to a vacant lot near the Sulphide Road. The motors were loaded into an unknown type of vehicle.

The following property was stolen:

11-5hp. Mariner outboard motor, black in color;
214-8hp. Mariner outboard motor, black in color.

Total value of the stolen property is estimated at \$5500.

Investigation to date has failed to result in the apprehension of person(s) responsible for this crime or in the recovery of any of the stolen property.

Investigators are requesting the assistance of the public in solving this crime. Anyone having information that might assist police are requested to contact PC R. Garrow or PC R. Bonter at 473-4234.

Larry Wannamaker, Manager of Stirling's Liquor Store No. 414, poses with a special International Plowing Match display constructed by the employees of the North Street store. According to Larry, a part-time employee Eric Hamlyn came up with the idea of doing something for the special event. The

employees then got together and everyone contributed props for the display. The colorful display was erected approximately two weeks ago. Many Liquor Control Board stores are presently putting into effect the ministry's new IMAGE program in an effort to update

the image of the various outlets. (IMAGE stands for Innovate, Merchandize and General Enthusiasm.) "We hope to put in different displays according to the season," Larry added, "which will add a bit of color to our outlet."

A lot of hard work, but its finally here!

It's a unique opportunity and none of us should miss it. After all, how often does an international event take place in our backyards?

No doubt you've been bombarded from all sides lately with information on the International Plowing Match (IPM), which is being held in Stirling this year. You may even be sick of hearing so much about it, but don't let that stop you from attending it. You may never get another chance like this in your lifetime.

Yes, "It's a really big show," as the immortal Ed Sullivan might have said. You're going to be able to see the latest in farm machinery and trends in the business. Virtually everything you always wanted to know about farming and the life on the farm will be covered at this massive event that is being billed as a rival to Expo '86.

Many of those people you see on the television day in and day out will also be attending the plowing match. Premier of Ontario, the Honorable David Peterson, will be attending the opening day ceremonies on Tuesday, as will Colonel the Honorable Lincoln Alexander, P.C., K.St.J., Q.C., B.A., L.L.D., Lieutenant Governor of Ontario. The Honorable Larry Grossman, the leader of the opposition at Queen's Park, is also supposed to attend.

Virtually every queen connected with farming will grace the grounds during the five days of the IPM, local and area dignitaries will be out in full force and even taking part, and there will be other such notables as the two big cheese troubadours, Bill Sutherland and Jack

Wilson.

You'll also see hundreds of burgundy-coated people walking and working throughout the IPM. They're the people who brought it all together, the people who worked in the trenches to do all the little things that combined to make the show possible. They've been working on this one project for years and they deserve a lot of credit for their work. If you see some of them during your tour of the grounds, stop them and say thanks and tell them how much you enjoyed the match. They're only people like us, but they've shown dedication above and beyond the call of duty.

The one thing you won't see at this year's IPM is horses. In the final hours of preparation, it was announced that horses wouldn't be allowed to take part because of high insurance costs, but these same burgundy-coated people worked long and hard before they finally admitted defeat for this year. It just couldn't be done in the time remaining.

Yes, it's all ready and happening as you read this column. Only Mother Nature can throw a damper on this event now, but something tells us that even she will co-operate for this one time in our area. Bring the whole family out and enjoy this international event the way only country people, born and bred, can. All this work shouldn't be allowed to go for naught.

By Madeline Simpson
A revitalizing weekend was spent at Quin-mo-lac on the shore of Moira Lake, by over 120 women of the United Church

By 4:00 p.m. on Friday, September 5th, the first arrivals were registering and moving into their billets, in Kanata House, Zuffelt Lodge, or in cabins. Five members from Campbellford enjoyed the fine weather and fellowship in this sylvan setting. They were Cathy Redden, Nancy Sparling, Claire Dunk, Jean Sheridan and Madeline Simpson. Norma Thompson attended from Seymour.

Meals were eaten in the dining hall, and prepared by a Family Studies teacher from Kingston, and her cohorts - which included her family, plus graduates and students from her classes. Each year in September, they vie for the chance, to return to the camp to cook for the U.C.W. event. United Church Women also take their turn at being 'go-fers' - setting tables, serving beverages, clearing and washing up, so that no one is burdened.

Sing songs followed each meal, as well as 'Surprises' contributed by different presbyteries of the

conference: a Book Flash; and free time to walk or browse at the book display.

On Friday evening, Marj Ferries of Kingston introduced the them, 'God Loves Me', with a lecture and slide show in the topic, 'We Are the Church Together'.

We were also welcomed by Wendell White, director of Quin-mo-lac, who challenged us to find 'Sageewas' during our weekend studies.

Vespers followed and then with flashlights glowing like giant fireflies a host of women wended their way back to their billets to retire.

On Saturday morning at 7:00 a.m., wild creatures along the lakeshore beheld an amazing sight - women in bathing suits submerging in the icy waters of Moira Lake! These dauntless dames were aspiring to the title of 'Great White Polar Bear'.

Morning worship by the lakeside was followed by a wholesome breakfast, a sing-song and surprises. At 10:00 a.m. workshops began. We were allowed to participate in any three of the following: 'Faith in Action', 'Love in Action', 'Pornography', 'Help Me to Cope', 'That All May Be One', and 'Bible Study'. Much learning and sharing took place in each group with capable leaders to present the topic.

After our Saturday evening meal, the cook and her entourage, costumed in Mexican style surprised us with a song and dance routine, from kitchen to stage. In it, they

extolled the superiority of 'Syd's Soup'. Syd, as turned out, was grandfather who services as kitchen help were offered his student grandsons. We had an opportunity to test Syd's Soup at Sunday lunch.

Six youth counsellors, who had spent the summer at Quin-mo-lac came back on an invitation from their director, Wendell, to entertain with a program of music, fun, skits and testimonials of the love for Quin-mo-lac and its program and people. A feeling of warmth and fellowship pervaded the hall.

Wendell White spoke of the summer program, which was enjoyed by 1099 children. The program followed the theme of U.C.W. studies 'Our Native People'. The operation, facilities and needs of Quin-mo-lac were also outlined. On Sunday morning, as the sun rose from behind the trees, and steam rose over the lake, the Polar Bear dippers were taking the

After a recent test, Brian Armstrong of our 'Dojo' (training hall) received his Blue Belt stripe in Karate and in Jiu Jitsu. Brian is now eligible to take part in a major test for the Brown Belt slated for the middle of November at CFB Trenton. He will be joining four other candidates in what will be a very demanding and comprehensive number of hours.

Also receiving stripes were Terry Fleming at the Yellow Belt level and Terry Langevin from Tweed at the beginners' White Belt level.

In our Children's Martial Arts Class, four youngsters received Yellow Belt rank. They were Glenn and John Ellis of Madoc, and Greg and Lynne Robinson of the Tweed area. These children will now have a chance to take part in our leadership programme which we implement at the Yellow Belt level.

We stress this part of our courses as yet another way children can gain confidence and a feeling of well-being about themselves.

Part of our leadership course includes the use of the voice (cadence, tone, rhythm), organizing and leading a large group, identifying objectives and leading a group towards these goals, eye contact, etc.

In our Dojo, we teach children to stand with their backs straight, their chins and their eyes up, to be proud of who they are and what they can become. We teach them that through discipline and hard work, their goals in life can be achieved.

Children and martial arts are enjoying a much closer association than ever before. In our demonstrations, such as the one at the Quinte Mall, on September 13, we try to throw the spotlight on our youngsters' skills and, more importantly, their composure and attitude. Martial arts seems to be on the road to becoming accepted as a way of education for youngsters, a method of reinforcing traditional values.

In our last article, we briefly mentioned the commencement of our Tai Chi exercise classes. We now have a definite time plan for these classes. They will be held in Gym 3 at Centre Hastings Secondary School, from 9 to 10, after the adults' martial arts classes.

Remember that September is registration month for our Dojo. If you require further information, just drop by on Monday nights for the Children's Class at 6, the adults' at 7, or simply phone 473-4366.

Conference

Cont'd from page 2A this fellowship. It is the Indian word for 'Love'.

After lunch, Polar Bear certificates were presented. Nancy, Jean and Madeline were in that group.

Each presbytery then showed the symbol of their presbytery, which they had devised from materials at hand, and explained its meaning.

With long streamers of different

colours for each presbytery, all the women formed a 'Rainbow of Hope', and were commissioned by their leader.

With thank-you's and good-bye's all said, the task of packing was soon completed, and cars moved out along the homeward trail, carrying members who felt renewed, re-dedicated and revitalized by this special weekend.

STIRLING SALES ARENA

Monday, August 25, 1986 Regular Sale

Fresh and Springing cows sold well on a good demand at an average price of \$1014.

Top Cow: was a good plus fresh Ned cow from Homer Schroter of Dunsford at \$1285.

Nuclear Weapon Free Ontario Campaign

The Tweed Action Group announced today its endorsement and participation in a campaign, launched at the Ontario Peace Conference in Sundridge on September 7, 1986, to make Ontario a Nuclear Weapons Free Zone. 162 participants were present at the conference representing many of the local groups which will conduct the campaign.

The Nuclear Weapons Free Ontario campaign has three basic components. Members of Provincial Parliament will be urged to support a resolution presently before the legislature to declare Ontario a NWFZ. Municipalities will be asked to declare themselves NWFZ (more than 40 in Ontario have already done so). Local groups will be conducting activities to educate the public about the significance of the Nuclear Weapons Free Zones.

Ontario would be joining 103 Canadian municipalities including Vancouver, Toronto, Hull and St. John's and the Province of Manitoba. There are 3,000 cities in 17 countries which have declared themselves NWFZ. The citizens of these communities have stated they wish to be "free of all research, transport, testing, production and deployment of nuclear weapons systems and their components". Becoming a NWFZ reinforces the message to federal politicians that they must be more vigorous in their promotion of nuclear disarmament if they are to truly represent Canadian citizens. This also gives the citizens of this community a chance to act by voicing their opposition to the arms race and the resultant impoverishment of

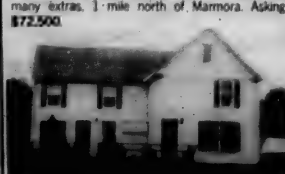

the world community. We urge all Ontario residents to support this campaign, which will culminate during Disarmament Week (October 24-31) of

this (1986) the International Year of Peace, with the imminent passage of the resolution declaring Ontario NUCLEAR WEAPONS FREE.

Victorian fashions to be featured at IPM

Visitors to the 1986 Hastings County International Plowing Match will get a glimpse of yesteryear's fashions as the Women's World hosts "Victorian Fashions."

Foxboro Fashions, located at 334 Main Street, Foxboro, is sponsoring the "Victorian Fashions" show extravaganza to be held on Wednesday, September 17th, in the Women's World section of the Match's Tented City.

Victorian Fashion Show

Using their own models, the Foxboro Fabrics fashion show will exhibit a cross section of 18th and 19th Century clothing with everything from high fashions for both men and women to maids outfits.

The collection, which includes a total of 32 outfits, is completely accurate, right down to the last detail. Ella Saunders, Co-Owner of Foxboro Fabrics, said.

The clothing, hats and many of the accessories are reproductions. Inter-

estingly most of the jewelry, gloves and footwear are originals gathered from antique stores and private collections by the Ella Saunders and her husband Roy.

The couple have put on approximately fifty shows at various locations across the province since the show's inception in 1977, including several appearances on television.

"It's really just a hobby for us," Ella explained, adding that the only charge to a host of the fashion show is the cost of the gas used transporting the exhibition to the host location and back. The Saunders also specify that the audience be a minimum number before it is worth their while.

The show has proven so popular that the Saunders are booked up solidly for the next three years.

In addition to featuring the fashion show, Foxboro Fabrics is donating the draperies for the stage located in Women's World. The draperies are three shades of gray.

Foxboro Fabrics has been a steadily

expanding business in the village for over twenty years now.

Steadily Expanding Business

Ella and Roy established the fabric business in November, 1984, shortly after purchasing a farmhouse in the village.

"It essentially started out as something to keep me busy," Ella admitted, "and the decision to start the business was pretty much spur-of-the-moment."

"I chose a fabric business because I did have a pretty good grounding in fashions having worked as an interpreter for fashion shows while studying in Italy," she said.

Though they started out with only a basic knowledge of the business, Ella says that over the past twenty odd years they have learned a lot about fabrics.

Ella attributes their continued success to the fact that they have become well-known for their quality service.

"It's a matter of being interested in people," Ella said.

"We try to offer a personalized service to our customers. If

there is anything that a customer wants, we'll do our best to

get it for them." The Saunders also Conf'd to page 1A

HUSQVARNA

CUTTING EDGE

Husqvarna's newest Model 40 weekend pro chain saw gives you the edge.
This sleek midweight powerhouse performs with faster acceleration and more low end torque than any weekend saw in its class. The 40 has chain brake standard, a near perfect balance be-

tween power and weight and an excellent vibration dampening system. So when the job's finished, you're not.
See us today for great values on Husqvarna's complete line of weekend pro saws.

Husqvarna 50 - Chain brake! High power at low speed! Low noise and vibration.

Victorian fashions at IPM

Cant'd from page 7A encourage their salespeople to work with the customer, to help them out and offer suggestions.

The couple are also very demanding of the quality of product that they retail.

"We don't purchase an allotment of material unless we are convinced of its quality," she said, adding that they don't deal through middlemen which helps keep the cost of their product down.

Foxboro Fabrics has customers from all across Central and Eastern Ontario, and even as far away as the Maritimes.

The store features fabrics of all types as well as a complete line of fashion and craft accessories. In addition to their inventory, Foxboro Fabrics offers their customers a full custom drapery service and a dress-making service.

The Saunders service everything that they supply.

The Foxboro business has experienced steady growth both in retail space and staff in the 22 years of its operation.

Our present store, in the course of three expansions, features

ten times as much floor space as we did back in 1964, Ella explained. Located in the Ashley House, which was originally built as a farm house in 1839, the business occupies the modern extension situated on the north side of the home.

The store employs four full-time staff as well as the family members. Additionally, the services of several professional seamstresses are available for work on both draperies and dresses.

Ella, who originally hails from Saskatoon, Saskatchewan, studied music at the University of Toronto. She took her studies to Europe after she won a scholarship to the Pope Plus XII Finishing College in Florence, Italy. While studying in Europe, Ella sang professionally throughout Central Europe.

Roy, who was born in Fort William, was raised in Owen Sound where his father was the manager of the Woolworth's store.

Roy studied business management at the University of Toronto and after graduating managed several hotels.

With the advent of the Korean conflict, he was offered a commission in the RCAF and was amongst the first thirty officers to be trained for helicopters (a new innovation in aviation at the time).

Following the end of the Korean War, Roy worked for various gas companies as a helicopter pilot.

The couple have two children; a son Gordon, who works for the family business as manager of the custom draperies section, and a daughter Patricia who is presently studying for her masters degree at McGill University.

IPM Special Event

Sure to attract many interested spectators are the Special Events Plowing competitions to be held at the Hastings County International Plowing Match and Farm Machinery Show.

Leading off on Opening Day, Tuesday, Sept. 16, is the competition for MPFs and MPs. Both Jim Pollock from the Ontario Legislature and the Honourable George Hees from the House of Commons, have

issued challenges to their colleagues. Starting time is 2:30 p.m.

Then, on Wednesday, the Queen of the Furrow competition is scheduled from 2 to 4 p.m. Thirty-four contestants who have qualified in their home county plowing matches will participate. Thursday afternoon, many mayors from across the province are expected to respond to the Challenge issued by Mayor

George Zegouras of Belleville. That afternoon, too, Media Chairman, Frank Murray, will host a match between the journalists, both print and broadcast from all over Ontario.

On Friday, it's the turn of the Junior Farmers, who will respond to the challenge issued by Edward Huffman, President of the Hastings County Junior Farmers. The event concludes on Saturday, the

MNR live display for IPM

By Ian S. Robertson,
Ministry of Natural
Resources

For this year's International Plowing Match, being held in Stirling from September 16 through September 20, the Ministry of Natural Resources (MNR) is showcasing the opportunities available to rural residents to preserve, improve and develop the natural resources of their properties.

The ministry's show theme is 'Working Together'. Through a series of displays and live presentations, the exhibit will highlight a variety of ministry and community related projects available to the rural landowner.

'We're hoping that many visitors who will be walking through the displays will see examples of projects and services that will help them improve the natural values of their lands,' said Ministry of Natural Resources show co-ordinator John Immerseel.

'We want to let landowners know that in managing rural resources on their properties, they don't have to do it alone. There is assistance available, not only from ministry staff, but from clubs and other organizations.'

The Community Wildlife Improvement Program and the Community Fisheries Improvement Program have already helped people and clubs develop wildlife habitat and improve streams for fish.

Many of the animals and waterfowl in the ministry's exhibit will roam freely within a fenced enclosure in a tent at the plowing match, which is located on Clayvale and Richmond and neighboring farms, three kilometres northeast of Stirling.

The 360 square-meter display area gives the staff plenty of room to show off Ontario's outdoors. The MNR exhibit is also one of the most popular features at the match, which is held annually in different locations in southern Ontario.

As in past shows,

the outdoors is being brought indoors. There are simulated woodlands, a cornfield and a pine plantation. A central marshland area is a centrepiece in the exhibit.

Visitors will have a chance to see a beaver and its lodge, Canada geese, a variety of ducks, and painted, Blandings, spotted and snapping turtles.

In a nearby cornfield and pine plantation landscape, there will be white-tailed deer, groundhogs, wild turkeys, ring-necked pheasants and one descended skunk. The old favorites will also be back - such as the red fox and red-tailed hawk. And, of course, they'll be in cages.

A new feature is a five-metre flowing trout stream, complete with a viewing platform. It illustrates the water-management techniques and the types of vegetation needed to develop trout-producing streams.

MNR staff will be available to meet with visitors to discuss forest management methods on their properties and show the type of nursery tree stock which is available for purchase by landowners who want to reforest a minimum of two hectares.

Provincial parks will also be highlighted in the exhibit, and several MNR parks staff will be available to meet the public.

Outside the MNR tent, there will be a variety of daily demonstrations on a central stage.

A special animated theatre sequence introduces 'Woody' - a talking tree.

To develop 'Woody', who is 3 1/2 metres tall, the ministry drew upon the creative genius of Janine Mather-Dean, a costume designer with the popular Toronto musical 'CATS'.

At each of several daily performances, the tree will come alive and tell people about the importance of trees and forests. Woody will be portrayed by an actor hired for the event.

'Woody will fit right in with this year's theme,' Mr. Immerseel said. Youngsters will have an opportunity to get personally involved in a resource issue and learn about the real world of the woods.

Most of the other demonstrations will involve both people and animals.

Bill Wilson, the ministry animal curator from Springwater Provincial Park at Midhurst, will bring a red fox to highlight talks about the new provincial immunization program which is designed to protect foxes against rabies.

Demonstrations will be held with wild turkeys, which since 1985 have been released in the Napanee area as part of the ministry's turkey re-introduction program in several areas of the province.

'Turtles alive' will be presented by MNR staff from Tweed and Napanee; to talk about turtles and the importance of preserving the province's wetlands.

Local MNR forestry staff will demonstrate tree planting and pruning. Throughout the International Plowing Match, ministry conservation officers will be on hand.

If the Shoe Fits
 By RALPH HERON,
 Manager

Miss The Point?

Ladies, do you miss those thin pointed toes and heels of a couple of years ago? Not according to our customers, you don't. They tell us that today's natural toe shoes and larger heels are far more comfortable than all those points. Isn't it nice to have your cake and eat it too? To at least again have shoes that are shaped like feet and still be the latest in fashion? And there more exciting than ever, as they complement today's ensemble for the right total look from the smart simple classic pump to the crisp bright buckles and bows that adorn this season's fashion footwear. How do we know? Because we have, here in our stock, the latest, smartest, and finest available anywhere, in the most complete size range possible. Get the point? Come try some on.

Approaching insurance with assurance

Money\$worth, TV Ontario's ever-popular program on personal finance, returns on Friday, Sept. 19, at 8 p.m. EDT, with the first of

a four-part series on life insurance. Presented on the Homefront segment of the show, hosted by Cynthia Wine, the series will provide viewers with an invaluable insight into the dos and don'ts of life insurance.

The series begins with an examination of how to determine life insurance needs. In the second week, the merits of whole life and term insurance will be debated. The discussion then focuses on the new hybrid insurance products that are available. Finally, the series will deal with the all-important issue of

MNR to test new to control rabies

The Ontario Ministry of Natural Resources will begin immunizing wild foxes with a new vaccine this September as part of an ongoing strategy to control the spread of rabies in rural areas.

Ministry aircraft will drop 15,300 baits - liver and hamburger coated sponge cubes containing a strengthened, liquid rabies vaccine - in an area bounded by the townships of Hullet,

Goderich, Stanley, Colborne, and Tuckersmith, near the towns of Goderich and Clinton.

The area, which has been used in similar trials for the last two years, will be expanded this year to include McKillop Township near the town of Seaford.

"We have done two previous field tests," said Natural Resources Minister Vincent Kerrio. "One test examined this method of delivering the baits without using the vaccine. It showed that the method works - two out of three foxes will eat the baits."

"Vaccine was used in the second test, but fox blood samples indicated that it was not as effective as we anticipated. Rabies immune antibodies were present in about five per cent of the foxes. That is why we must try for better results this year with this stronger, longer-lasting vaccine."

The new vaccine, developed at Connaught Laboratories in Toronto, is similar to a vaccine which has been field-tested with success in Europe. It has shown 100 per cent potential in laboratory tests, and is expected to effectively retain its potency for three weeks after it is dropped.

This year's retainers for only after it and was be 80 rabies antibodies. The vaccine this year's distribution mouth chews and the into its. The spreaders and hamburger punger attract faster.

"Loc will on an imp this op Kerrio bait d timed with f season October November we can fox bl local tr and de effective vaccine. The proven labora accide occur human not, consid ate baits i pet.

Madoc Fair This Weekend

The Plowing Match is over and now is the time to get serious. That is, serious about having some fun. Madoc Fair is here this weekend and its shaping up to be one of the best ever. This year you can buy a weekend pass for just \$10.00 and come and go as you please. It covers gate admissions and the Demolition Derby, so now you can come to the Fair in the morning, go home and do the chores and come back again without having to pay twice in the same day. These week-end passes can be purchased at Hawley

Hardware, Stickwoods and Madoc Co-op. An added feature this year will be a Street Dance outside the arena with the live rock band, 42nd Street. This will take place on Friday Night from 9-12, not on Saturday as some posters indicate, so Friday night is a big night. Saturday, at 2:00 p.m. the opening ceremonies will take place and a special dedication event is scheduled at this time. The newly erected Bandshell is to be dedicated to Francis Tobin in recognition of his 50 years service to the

Madoc & District Agricultural Society.

Mr. Tobin is expected to be in attendance and the organisers are looking for good

turnout to express their appreciation for Mr. Tobin's efforts. On top of all that's happening on Saturday, there's the Demolition Derby which starts at 7 pm. Also on Saturday and Sunday, there's to be Horse-shoe throwing competitions and of course the baby's show competition on Sunday. Another event on Sunday is the Mutt Show with prizes in three classes plus a grand champion prize. Another special attraction has been booked for Sunday the 28th at 1:30, a two hour show by musical comedian, Roger

James will be sure to please. Jazz, Old time banjo's, Blue Grass, Blues and Swing are in his repertoire and Roger has been playing to audiences in clubs and T.V. throughout Canada, England and the U.S. since the 1960's. According to the Fair Board, he's "One of the most energetic, versatile and proficient entertainers to appear at Madoc Fair in many years. Every day of the Fair will be a great day. Get a weekend pass and thoroughly enjoy yourselves. SEE YOU AT THE FAIR!

International Plowing Match

The plowing Match lived up to its advance publicity and provided a spectacle that will be talked about for a long time to come. It was an impressive presentation in size, variety and smoothness of operation. The display booths of the Village, Madoc Township and Huntingdon Township, reflected the effort put forth by the municipalities to give visitors a glimpse of life in our communities. They compared favourably to other booths and the friend-

liness of the people staffing these displays created a favourable impression. Many local faces were spotted in the crowd, some were working and others just enjoying the show. The weather on opening and closing days wasn't the best, but the visitors to the match seemed bent on having a good time, even the one senior citizen who took an involuntary mud-bath. (Mr. Forestell reported that his suit came back from the cleaners as good as new.)

The highest praise must go to all the volunteer organizers and workers who strived so hard to present Hastings County in the best possible manner. The countless hours of committee work by so many dedicated local citizens produced an International Plowing Match that could not have been better organized and operated had it been left in the hands of the professionals. There are more stories and pictures in the Mid Week section of this paper.

Ident - A - Kid

Rev. John Hall dropped into the office to tell us about the Ident-A-Kid program to be held at the Madoc Fair next Saturday. The Ident-A-Kid service provides the parents with an accurate record of their child's description plus the added feature of recorded finger prints. As parents, we seldom, if ever, think about the possibility that one day we may be called upon in a time of crisis to describe a child that's gone missing. The Ident-A-Kid record could prove

invaluable at a time like this, particularly the recorded finger prints. One important feature of this program is that the parents are the only ones to know what is on the identification form. Parents supply the data on the form themselves and keep the only record of the information in their own safe place. There is no duplicate copy of information or finger prints, recorded or kept. No one has access to this information unless you show them. Parents, take advantage of this fine

program. Have your children's finger prints recorded and fill out the Ident-A-Kid form now, don't rely on your memory at a time of crisis. Remember this service is available on Saturday (27th Sept.) only. It's operated by the 418 (Belleville) wing of the R.C.A.F. and is being sponsored by the Madoc branch (363) of the Royal Canadian Legion. Look for the Block Parent's booth at the fair. (The Madoc Legion is sponsoring this booth too) and you'll find the Ident-A-Kid people.

Wilfred Forestell poses with OFA anniversary cake.

Wilfred Forestell of RR2 Madoc had the honour of ceremoniously cutting the 50th Anniversary cake for the Ontario Federation of Agriculture. Wilfred has been a member of the OFA for 40 years and was

enjoying the lime-light as the longest serving member of that organization on hand at the plowing match. He was in a mood for reminiscing and story telling. "You

know," he said, "it was ten years ago that (the Late) Ken Mumby and I first suggested to the Federation that the Plowing Match be held here in Hastings County." He said he was pleased that it

had come to pass and when asked if he was enjoying himself, said "Yes it's been great. One of the best ever even if I did take a tumble in the mud on opening day."

Evening Classes

With a whole raft of evening courses being offered this fall, Dave Hobson of C.H.S.S. reports that enrolment has been encouraging in general.

There are a few classes, however, that need one or two more people to meet minimum requirements in order to proceed. Classes in Car

Care, Computers, Accounting, Stained Glass, Spanish, Aerobics and Flower arranging are among those that need a few extra people to make them a reality.

Registration will be held open for the next little while and you can get more information from Dave Hobson at C.H.S.S. 473-4221

Restoration

by Ross Fleming

A Venture in Faith has begun!! Trinity United Church has undertaken a complete restoration project. The brick work will be pointed; there will be a new steel roof (put on over the old slate); the outside wood work will be repaired and painted; the bell tower will be repaired, made water tight and the bell re-supported to be safe to ring again; a long needed fire escape (necessary in our modern insurance conscious society) will be added in combination with a ramp entrance (to also fit in with modern accessibility

rules.)

The cost of this project (\$101,500.) was certainly a very awe-some undertaking for the congregation. The alterations were not acceptable. No one wanted to watch the building deteriorate and be condemned for use. To tear the building down and re-build proved not only too big but too costly (what with architects fees, demolition fees, etc.) but was violently opposed by many - not only members of our present congregation but former members now living in other communities.

Monies are being received for the

"Restoration Fund" at the Church Office, through the mail at Box 426, or by hand delivery to members of the Finance Committee, from members, friends outside the Congregation and from friends outside Madoc. This has been a heart-warming response and has brought great feelings of appreciation and renewed faith to the members of the committee. It would appear the same determination that built the Church in 1833, re-built in 1899, is alive and well in 1986 to restore the building for their children and grandchildren.

The Ontario Queens of the Furrow came to Madoc last Wednesday for a get acquainted banquet at the Madoc Hotel. Lori Hamilton, the eventual winner of the competition is fifth from the right in the back row. Inset is Kim

Wickens of Madoc Public School. Kim Wickens was invited (with her Queens for the evening.

New V.P. at Madoc

The new Vice-Principal at Madoc Public School is Laurie Anderson.

Ms. Anderson comes to Madoc from a smaller school in Trenton where she

not taught classes but was also responsible for much of the administrative work that forms part of her duties here.

She has been employed by the Hastings County Board of Education for the past eleven years and has come to look upon the area as home. Originally from Toronto, she says that she has been a teacher since graduation from college.

MS. Anderson is settling into her new duties, and despite some minor inconveniences caused by the ongoing construction work on the heading system, says she has

Madoc Township School

Teachers Take Bus Trip

Last Friday the teachers from the Madoc Township School held a Professional Development Day with a difference.

They took a bus trip around the countryside.

It was not to look at the early fall colours that this trip was

organized, but rather to familiarize the staff with the bus routes and journeys that some of the students undertake each school day.

This trip will give the teachers an added insight into some of the outside factors and influences that might

have an effect on the character, make-up and behaviour of their students.

Our total environment has an effect on our behaviour, and this innovative approach to a P.D. day could prove just as valuable as the seminars and workshops that are usually held.

Legion News

This week has been declared Legion Week in honour of the community service rendered to our area by the Madoc Legion, Branch 363.

A full week of activities has been planned but unfortunately the information was not received in time to publicize the events planned for the last two days.

On Tuesday the 23rd, there's a Bingo scheduled for 7.30 pm at the Legion. On Wednesday it's amateur night, followed by a darts

tournament on Thursday night. Friday will see a dance and on Saturday there's to be a Euchre Tournament.

Next Sunday there will be a Drumhead Service at the Picton Legion. A bus will be leaving the Madoc Legion and a notice

and list for signatures has been posted on the notice board. Hopefully there will be a good turnout of Legion members for

this event, as these services are quite impressive. The next General meeting will be October the 8th.

Branch 363, Madoc Legion, on Church Parade last Sunday.

Madoc Health Unit

Hastings and Prince Edward Counties Health Unit held their regular meeting

in Madoc last Wednesday as part of the official dedication ceremonies

Extension Dedicated

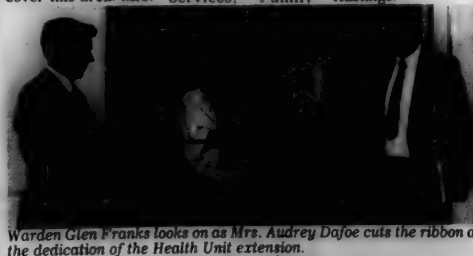

marking the expanded facilities.

When the Health Unit was originally formed in September 1966, Nurses from Bancroft and Belleville covered Centre Hastings. In 1986 Public Health Nurses worked out of their homes to cover this area. Mrs.

Barbara Jones, now Director of Nursing and Mrs. Wilma Cassidy were the original public Health Nurses.

The Centre now houses, Public Health Nurses, Public Health Inspectors, Adult & Children's Mental Health Worker, Adult Protective Services, Family

Support, Geriatric Outreach, Family Planning and Prenatal Services. Other agencies using the building are: Beechgrove Mental Services, Children's Aide, Ministry of Community and Social Services, and Big Brothers and Big Sisters of Centre Hastings.

Warden Glen Franks looks on as Mrs. Audrey Dajoe cuts the ribbon at the dedication of the Health Unit extension.

Missionaries Visit Madoc

by Ada Adams
Trinity Church folk enjoyed a very special weekend when Bob and Betty Wigles visited them on their return from a three-year stay in Kenya, Africa, sponsored by the United Church of Canada. There they taught in a High School - the only white people in that area, inhabited by the Kikuyu tribe. The children would giggle shyly when

they saw these pale-faced strangers, and even the grownups were curious, not having seen white people before. Bob and Betty made no colour distinction and were soon accepted by these people. Unlike many earlier missionaries and traders who were convinced that the Western way of life is the One and Only Way to live, the Wigles were careful

to accept the African people the way they are, and to give help and advice only when asked. As a result, they won their trust and affection and were constantly receiving generous gifts of food - fruit, vegetables, live chickens etc. Some time before they left Africa they were made members of the Kikuyu tribe - a very high honour indeed, and the first time, we believe, that white persons have been accepted into this tribe.

Most of the people are very poor and wages are very low. In spite of this, they have happy, smiling faces. They have a deep love of the land and each man, even professionals like

doctors and lawyers, wants to have a plot all his own. In his talk to the children at church on Sunday, Bob showed two African children's toys - a doll made of the fibres of the banana tree bark, and a ball made of firmly wound thin strips of plastic. They are very fond of ball games, particularly soccer.

On first acquaintance, one would think that Time means nothing to them! They may be two or three hours late for church, for school, for appointments; on one occasion, the Wigles noted, the groom kept his bride waiting at the church for two hours, and the minister was one and a half hours late! But when we realize that they do not have watches or clocks, and must depend on the comings and goings of their animals, or on their own stomachs for meal-times, we can understand the problem. They walk long distances (many Kilometers) usually in their bare feet. School starts at 7:30, to make use of the cooler time of day. Some students walk

barefoot as much as 15 kilometers in order to get there. Africans love to have visitors, and it is their custom to walk home with them after a visit. When the Wigles left Kenya, some twenty-five of their African friends accompanied them on foot to the airport in Nairobi, many miles distant.

Following a hearty congregational supper on Saturday night, Bob and Betty showed us many of their gifts - ceremonial dress, costumes, cottons, baskets, drum, wall ornaments and the like. Cont'd on page 6

Missionaries Visit

Cont'd from page 5

Bob showed many beautiful slides of the people, their students, the school buildings, the countryside. African animals and flowers, their home and garage, their church etc. The new, attractive church, by the way, is crowded every Sunday. Usually the service is conducted by a layman, as the minister may have as many as twenty-two churches under his

care. When the minister does come, he is likely to be very busy for four to five hours conducting the regular service, holding baptisms, marriages and many other duties. Another interesting feature of our Saturday evening program was the colourful African costumes worn by the Derry family.

As most people know, Betty is the daughter of Charlie and Myrtle Derry and lived in Madoc

until her marriage to Bob Wigle. Bob taught for several years in Madoc High School and was very active in school, Trinity Church and in the community. After their marriage they moved to Western Ontario. Bob retired from - Delhi High School just before going to Kenya. Now they will be living in Kitchener.

United Church Women Uni

By Viola Wannamak-

er
The Trinity U.C.W. meeting was held on September 17th, at 2 o'clock, at the home of Ruby Brady. The leader, Hilda Devolin, asked about the highlights of our summer holiday. Each one had various things they enjoyed. There were 12 members present.

The meeting opened with singing "Blest Be The Tie That Binds", followed by the read-

ing of "The Purpose". The minutes were read by the secretary, Verna Empey. The roll call was the reading of a Bible verse with the word 'spirit' in it.

The Treasurer's Report was given by Eva Brownson and the Unit Report was given by Ruby Brady. The Card Report was given by Reta Alore. We were sorry to hear that Mrs. Embury had the misfortune to fall and injure herself.

Lou Parks led us in prayer. The worship was led by Eva Brownson, reading a poem on "Devotion", and a reading "I Had the Worries" was followed by prayer. The offering was taken and dedicated by singing "We Give Three But Thine Own".

The program was conducted by Lottie Bailey. A poem, "Seeds of Goodness" was read; also, "Grandma Archies Doughnuts" - about

how a little smelled the co of the doughnut, came to the wi to explore. woman noticed and put a few d nuts on a outside for hi reading was gi "The Home P and "A Small Park". A poem "Rejoicing - Th is the Lord's rejoice in it" read, along "May This C Alive In Your H and was follow

O.P.P. Report

During the period of September 12 - 18, 1986, officer of the Madoc O.P.P. detachment investigated 65 general occurrences and 8 traffic accidents.

During the early morning hours of September the 18th, several local Madoc residents complained of a silver Pontiac TransAm squealing tires and driving erratically within the village limits. A short time later the vehicle

was observed by Constables Bruce and haggerty. The vehicle was signalled to stop and subsequently fled northbound on Highway 62. The pursuit ended north of Bannockburn. Two young offenders were arrested and charged with Dangerous Driving and Failing to Stop for Police officers. **TRAFFIC ACCIDENTS.**

On Monday the 15th of September, 1986 at 2.10 pm., a farm tractor driven by Colin Cooney of RRI Stirling was southbound on Hwy. 14, pulling two farm wagons. A

southbound vehicle driven by Mary Gifford of Marmora approached the rear of the wagons and made an attempt to pass.

The Gifford vehicle lost control and travelled onto the shoulder. The vehicle subsequently rolled over sustaining approximately \$4,000 in damages. A passenger in the Gifford vehicle, Samuel Gifford, age 90, and the driver were taken by ambulance to Belleville General Hospital. Gifford was charged with Careless Driving by Constable Creelman.

International Plowing Match In Review

Sunday, September 14th

Ecumenical Church Service

A capacity crowd attended the Opening Inter-Church Service held at St. Paul's United Church, in Stirling, September 14th, for the first officially scheduled event of the five-day Hastings County agricultural show.

On hand at the ecumenical church service was special guest speaker Roy Bonisteel, renowned TV host of "Man Alive", to give a special address.

The two-hour service was sponsored by the Stirling - Frankford Ministerial.

Opening Day
Tuesday, September 16th

The Tented City opened its gates to the public at 9:00 a.m. as the 1986 International Plowing Match and Farm Machinery got underway.

The 90-acre Tented City was alive with activity by the time the first plowing competitions began at 10:00 a.m.

Despite the threat of occasional showers, the weather held as the Official Opening Day Parade threaded its way through the numerous streets of the City, early in the afternoon.

Fancy floats, antique cars, farm machinery and marching bands were viewed by a good-sized crowd as over 14,000 spectators turned out for Opening Day.

Official Opening Ceremony

The stage facing on Ken Mumby Square was crowded with officials and politicians as a crowd gathered at 2 o'clock for the Official Opening Ceremony.

The sun broke through the clouds as Lieutenant Governor the Honourable Lincoln Alexander officially declared the five-day event open.

Also on hand for the opening were a number of government officials including Premier David Peterson, Leader of the Opposition Larry Grossman, Minister of Industry, Trade and Technology Hugh O'Neil and Hastings-Peterborough MPP Jim Pollock.

Political Plowing Competition

Jack Robinson, MPP for Wellington, Dufferin and Peel, displayed the steadiest hand on the plow, taking top honours as the politicians had an opportunity to exhibit their plowing skills in the MP's & MPP's Plowing Competition.

The plowing competition, which took place after the opening ceremony, was held in the Special Events Area.

Conservation Tillage Day
Wednesday, September 17th

The second day of the Plowing Match proved more promising as clearer skies heralded warmer weather and drier skies

made easier passage for pedestrian traffic.

Attendance picked up and topped 27,000 as the International Plowing Match got into full swing.

The theme of the day was conservation tillage. Conservation tillage demonstrations were held twice daily throughout the week at the special site on the south-east corner of the Tented City set aside for that purpose.

The special day emphasized the process because it leaves reasonable amounts of crop residue on the soil surface. More top soil residue means more water absorption, less wind and water soil erosion and more organic matter saved.

Soviet Delegation Visits IPM

During the morning a Soviet delegation arrived at the Tented City, headed by U.S.S.R. Minister of Crop Production Mr. Romanenko, to tour the Farm Machinery Show. The delegation spent several hours inspecting machinery and attending a demonstration of conservation tillage.

The visit was just one stop on the delegation's cross-country tour to view Canadian advances in the agricultural industry.

Denise Humphries, Queen of the Furrow for Peterborough County, claimed top honours during the Queen of the Furrow Plowing Competition, held in the Special Events Area during the afternoon.

All of the queens participated as part of their competition itinerary.

Queen of Furrow Day
Thursday, September 18th

The International Plowing Match continued to be blessed with good weather as a peak crowd of over 27,000 visitors descended on the Tented City.

Various instrumental and vocal groups from schools throughout Hastings County performed throughout the morning on the Hastings County Exhibit Stage.

A good-sized crowd gathered for a second time in the Ken Mumby Square to listen to the 33 Queen of the Furrow contestants deliver their speeches.

Mayor And Media Plowing Competition

During the afternoon, mayors and members of the media gathered in the Special Events Area to try their hand at plowing.

Mayor Stephen Clark, of Brockville, claimed top honours in the mayor category while John Campbell, of the Campbellford Herald, plowed his way to victory in the media category.

The evening held plenty of entertainment for the contestants of the Queen of the Furrow Contest as they attended both the Queen of the Furrow Banquet, held at the Knights of Columbus Hall, in Trenton, and the Plowmen's Ball, held in the Ben Blecker Auditorium, in Belleville.

At the Plowmen's Ball, sponsored by the Hastings County Junior Farmers, the contestants danced to music provided by "Something Blue".

Awards Day
Friday, September 19th

Entertainment started early, as it did all through the week, at the Women's World display. Daily activities in the World's tents highlighted Hastings County products, craftspeople, artisans and entertainment.

Despite an increasing cloudiness, the weather was still quite pleasant as close to 25,000 visitors poured through the gates to view the vast multitude of displays in the Tented City.

Early in the afternoon, the Junior Farmers Plowing Competition got underway as County Club Presidents, Zone Presidents and Provincial Presidents had their opportunity to show off their plowing skills.

Plowmen's Awards Banquet

A crowd of close to 1,000 guests gathered at the Recreation Centre, Canadian Forces Base Trenton, for a gala event and to witness the awarding of trophies for the week's plowing competitions.

The highlight of the banquet was when Hastings County Queen of the Furrow Lori Hamilton was declared 1986/87 Ontario Queen of the Furrow.

Family Day
Saturday, September 20th

The OPA's luck ran out on the final day as light showers discouraged the large crowd that had been expected for Family Day.

Despite the drizzly start, the weather held off long enough for over 24,000 visitors to get a chance to view a cold but otherwise enjoyable Tented City.

Wardens and Chiefs Plowing Competition

Wardens and Indian Chiefs gathered in the Special Events Area in the afternoon for a final special plowing competition.

Wellington County Warden M. R. Bride took top honours in the Warden's Category while Chief Earl Hill, of the Quinte Mohawk Band, took the Chief's Category by acclamation.

Ted Pollock instigated the Chief's Category, an event never held at an International Plowing Match before.)

Closing Day Parade

The International Plowing Match was winding down as the crowds gathered to view the Closing Day Parade.

Even as the crowds began to thin out in the late afternoon, exhibitors began to pack up and head for home.

The Match Site was officially closed to the public at 6:00 p.m. and the many officials responsible for the 1986 Hastings County International Plowing Match set about dismantling the show, content with the knowledge that they had done an outstanding job.

Tips For Tooth Trouble

Knowing what to do in a dental emergency can save you immediate anguish and permanent damage. Here are

some of the most common dental emergencies and how to handle them.

TOOTHACHE

First, using warm

water, rinse your mouth out thoroughly. Then remove any bits of food wedged between your teeth with dental floss. If your mouth is swollen, apply a cold compress on the outside of your cheek. Never put aspirin on the inflamed area. See a dentist as soon as you can.

CHIPPED OR BROKEN TOOTH
Using warm water, try to rinse out as much dirt as possible. Cont'd to page 12A

HASTINGS COUNTY BOARD OF EDUCATION SALE OF LAND BY TENDER OF BAYVIEW PUBLIC SCHOOL

The Hastings County Board of Education (the "Board") is offering for sale by tender the following land and building (the "Real Property") located at:

**DUNDAS STREET EAST, BELLEVILLE, ONTARIO
BAYVIEW PUBLIC SCHOOL**

ALL AND SINGULAR Those lands and premises situate in the City of Belleville and being composed of Block B, Registered Plan No. 1052, and the "School Lot", Registered Plan No. 1032, and Part Lots 11 and 12, Concession 1, (formerly in the Township of Thurlow) now in the City of Belleville, all as registered in the Land Registry Office for the Registry Division of Hastings (No. 21) and designated as Part 1, Part 2 and Part 3, Plan 21R-8619 deposited in the said Land Registry Office.

Sealed tenders marked "Tender - Do Not Open - Bayview" will be received by the Board until 3:00 in the afternoon on the 9th day of October, 1986.

All tenders must be accompanied by a certified cheque payable to the Board for 15% of the tendered purchase price, which will be returned if the tender is not accepted or which will be forfeited if the tender is accepted and the sale is not completed by the successful tenderer.

The highest or any tender will not necessarily be accepted.

Should interested parties wish to inspect the Real Property arrangements should be made with the Board.

All tenders are subject to the Conditions of Sale By Tender, which shall form part thereof. The Conditions of Sale By Tender, forms of tender, and further details of the Real Property being offered for sale may be obtained from the Board.

the Plowing Match

The Window Watchers

Many of our customers tell us they learn more about available shoe fashions by watching our window than any other means. Our business is knowing the important styles and colors in the season's best fashions. And we show in our window, attractively displayed, a panorama of shoes for you to see and choose from, and in your own good time, to decide how you will build your wardrobe for the new season.

If you stood by our display window for an hour, you'd hear a lot of "oos and aahs" as folks admire our styles. Be a window watcher - it pays well in planning your shoe purchases, and it's fun too! Then come in and try 'em on in your own size.

Brenda Allen (L) of RR5 Madoc and helper Susan Todorowski at their plowing match booth.

CORPORATION OF THE TOWNSHIP OF SEYMOUR REQUIRES A FULL TIME CHIEF BUILDING OFFICIAL/BY-LAW ENFORCEMENT OFFICER

Applications will be received by the undersigned until 4:00 p.m. on October 8, 1986, for the position of Chief Building Official/By-Law Enforcement Officer.

The position involves responsibility for all duties under the Ontario Building Code Act including issuing permits and the conducting of inspections and the responsibility for the enforcement of all municipal by-laws. Other duties may also be assigned.

Preferences will be given to applicants with experience and/or formal training in the areas of building inspections and by-law enforcement.

Applications are to be in writing and should contain a detailed resume of educational background and employment experience. Salary and benefits will be commensurate with qualifications and experience.

All applications should be clearly marked "Application for Chief Building Official/By-Law Enforcement Officer".

Arthritis Club.

In the early 1950s, Burnice Wilkins lived happily in Brantford, Ontario, with her husband, young daughter and son. She looked to the future with joy.

One day, Burnice's right ankle began to ache. She assumed that she'd banged it somehow and thought no more about it. But the ache in her ankle came and went, and soon Burnice was diagnosed as having rheumatoid arthritis.

"What is rheumatoid arthritis?" asked Burnice and, although her doctor did explain, Burnice wanted a great deal more information about her illness, she wanted to understand her arthritis. For answers to her questions, Burnice contacted The Arthritis Society of Brantford, and so began her long association with the Society.

At first, Burnice's discomfort from arthritis was manageable. She went on with life, taking care of her husband and young family. In time, she returned to work as Personnel Assistant at the Brantford General Hospital. Burnice's family, especially her husband, was supportive, and willingly provided helping hands in the areas that Burnice's arthritis made difficult. The Wilkinson family adjusted their household routines, for example, moving the clothes washer and dryer into the kitchen to make that chore "easier for Mum".

Through this period, Burnice was actively involved with Brantford's Arthritis Society, she spoke to Bluebird Clubs, church groups, seniors associations, and newly diagnosed patients.

Lions do well selling tickets

The Campbellford Lions had a good thing going at the International Plowing Match last week as they sold tickets on this 1952 MGTD replicar. Their booth was drawing people like

flies to honey. Once having seen the MGTD replicar, people couldn't buy tickets fast enough. According to the Lions, sales were good.

Rural Transition Program

Harry Pelissero, president of the Ontario Federation of Agriculture, gave the Canadian Rural Transition Program (CRTP) a mixed review. The creation of the CRTP was announced recently by federal agriculture minister John Wise.

Pelissero noted that a program that gives farmers leaving agriculture access to transition

services - long available to Canadians in other industries - is a positive step. In fact, Pelissero said, the need for transition assistance for farmers was highlighted in the Grey-Bruce Pilot Project (1984-85) in which the OFA participated. The same pilot project recommended the creation of third-party debt review boards which have recently been

legislated by the federal government.

However, the OFA president stated, just because these two programs - rural transition and debt review boards - have been announced does not mean that the moratorium on F.C.C. foreclosure actions should be lifted automatically.

While the review board may be technically in place, they are not functionally operational yet. In Ontario, for example, only four out of the ten board members have been named, and procedures still have to be ironed out.

"I would not want to see the moratorium get lifted, and have a flood of farmers apply for debt review before the boards are ready. That could easily bog down the whole process," said Pelissero.

The OFA chief said serious consideration should be given to how and when the moratorium would be lifted, recommending either a phase by phase approach, or the announcement of a future - not an immediate - effectiveness date.

Cont'd from page 4A
"helping others with
arthritis whenever I
could," says Burnice.

By the early 1970s
Burnice's condition
had deteriorated so
arthritis had spread
to her feet, knees and
hands, and Burnice
was hospitalized in
the RDU at Chedoke
Medical Centre in
Hamilton.

In 1973, Burnice
required the first of
the four surgeries she
would have on her
feet. That surgery,
combined with the
arthritis that had
flared through the
rest of her body,

Arthritis 'Blue Bird' C

meant that she no
longer had the free-
dom of movement
needed for her work,
e.g. handling the
phone, reaching for
files. Burnice had to
leave her job.

Now with addition-
al time available to
her, Burnice became
even more active
with Brantford's
Arthritis Society,
trying to help others

with this illness she
knew so well.
Burnice is most
enthusiastic about
the Society's Blue-
bird Clubs, which are
self-help groups for
people with arthritis.
"Bluebird members
meet once a month,
and are always shar-
ing hints on how to
make life with arthri-
tis easier. The club
makes you feel less

alone w
arthritis.
Burnice.
Through
few year
had sever

Tipping The Scales In Your Favour

By Barry Phillips, B.Sc. Phm.

Past President, Ontario College of
Pharmacists
Community Pharmacist

Canadians have an energy problem. Too
many of us take more energy into our bodies
than we put out. As a result, more than half
our adult population needs to slim down.

That means we don't look as attractive or
feel as good as we'd like to. Just as important,
we're not always able to perform to the peak
of our abilities.

The solution isn't a new diet. A diet reduces
your measurements quickly, but only at some
expense to your overall health. Chances are it
isn't something you could stick with for a long
time. You may revert to your old habits and
the dial on the scales will slowly creep up
again.

The key to being slim is not dieting, but
changing your lifestyle habits as they relate to
food and physical activity. Changing them not
drastically, but gradually. Changing them not
for a few weeks or months, but forever.

Lower your energy intake (the amount you
eat) and increase your energy output (your
physical activity). Use up more energy than
you consume until you reach the body mass
(weight) you should be. Then, get the input
and output in balance so you maintain
yourself at that level.

For example, to lose 1 pound, you need to
consume 3,500 calories less than you use in
activity or conversely, use up 3,500 calories
more than you eat. That means lowering the
quantity of food you eat somewhat. However,
the quality of your food shouldn't suffer; in
fact, the opposite is true. You need whole-
some, basic food from each of the four food
groups: milk and milk products, meat, fish,
poultry and alternates, fruits and vegetables,
breads and cereals.

Exercise, by itself, is a slow way to lose
mass. For example, you would have to walk
or run 2 km to burn off the energy in two
cookies. However, in combination with
improved eating habits, exercise is a highly
effective way to get trim and stay there.

Before starting any diet and exercise
program, see your doctor. If you have any
questions after that, ask your neighbourhood
pharmacist for advice. He or she has the
knowledge and experience to help you help
yourself.

was replaced. In all, Burnice had spent 3-1/2 of the last 13 years in the hospital. Yet she is strongly supportive of replacement surgery for arthritis when it is medically recommended, because it relieves pain and makes movement easier. "Either of these results makes surgery an attractive option," she says, "but when both benefits can be attained, surgery should be given serious consideration." Burnice and her husband, Jack, have Conf'd to page 12A

CARD OF THANKS

DON and Edythe Beamish would like to thank everyone for the beautiful anniversary cards and gifts. Your kindness made our 65th wedding anniversary a very happy day and was appreciated by us and our family.

MRS. Ruth Simpson and family would like to thank everyone who helped celebrate Mrs. Simpson's 80th birthday at afternoon tea. A special thank you to John and Verna Lutes of Maple View Lodge Rest Home, Norwood, where Mrs. Simpson resides, for the generous use of their home for this occasion. To Rev. Robert McLaughlin, for his kind visit. Thanks to everyone for gifts, money, cards and flowers. It was a beautiful day we will always remember. Sincere thanks to everyone. Ruth Simpson, Carol and Ray Tisdale, Robert and Colleen Simpson.

The family of the late Sybil Marmora would like to thank neighbors, relatives and friends for your generosity and kindness during the loss of a dear wife, mother, daughter and grandmother. Special thanks to the McConnell Funeral Home, Dr. Derry, Canon Thompson and Rev. J. Clark for all your thoughtful help.

CARD OF THANKS

THE family of the late Maude McComb extend their sincere appreciation for all the kind expressions of sympathy during their recent bereavement.

WE would like to extend sincere thanks to our family for making our 50th anniversary such a special one. And to all those who called in the afternoon at the hall also for the many cards and gifts and the big surprise the family had delivered to our home: also the lovely dinner served by the Bellevue Ladies. It was an occasion we will always remember. May God Bless you all. Earl and Ruby Gerow.

CARD OF THANKS

We would like to express our heartfelt thanks to relatives, friends, and neighbours for their many acts of kindness and expressions of sympathy, floral tributes, donations to charitable organizations, cards, phone calls and food, during our recent bereavement in the passing of a beloved wife, mother and grandmother, Grace Wever. Special thanks to Rev. Gordon Whitehouse for his comforting words, also to Dr. Scott Macleod, and the very dedicated and caring nursing staff on the second floor of Campbellford Memorial Hospital. We would also like to say thanks to the Hoards, U.C.W. for providing a delicious lunch, the Weaver Funeral Home for their kind and courteous service. Our grateful thanks to all. Clarence, Gwen, Elvin, Wayne, Joyce and their Families.

Tips for Tooth Trouble

Cont'd from page 2A
ble. Use a cold compress on the outside of your mouth or cheeks to keep the

swelling down. See a dentist immediately.
KNOCKED-OUT TOOTH
First, try to stick

the tooth back in place and hold it there while you rush to see the dentist. If that's impossible, put

the tooth in a container of milk or water and take it (and its owner) to the dentist immediately.

BADLY BITTEN LIP OR TONGUE
Press a clean cloth against the bitten spot to control the

bleeding. If your mouth is swollen, apply a cold compress. If bleeding continues, go to
